Founder & President -
Dr. John Philipose & Annie

John & Annie made a visit to the US this month. They were here for a few weeks and we were able to visit 3 churches. Dad's health is much better compared to January of this year. He visited his primary care physician and Oncologist and both are happy with his test results. Dad is still talking his cancer medication in addition to others. He is leading an active life, definitely not behaving like a "80" year old. Hallelujah!!

Thank you for your prayers.

Here, Dad is providing an update to the missions team at Cherokee Hills Christian Church which is also my home church. While my folks were here we also visited couple of other churches. Praise God that dad had the strength to make the trip. If he continues do well health wise, he would like to come back next year and visit more churches. Back in India, the ministry is running smoothly. We have 50 students at the main campus and other ministries are doing well.

Next month ICBC will have some visitors from the States. They are Terry & Norma Hull, Dwight & Eva Juliuson, Debbie Watson & Bobbie Mannschreck. Terry & Norma are ministers at Northside Christian Church in OKC, OK. The Juliusons and Bobbie Mannschreck are long time friends of ours and members at NSCC. Debbie was a classmate of John at Midwest Christian College and she resides in Woodward Oklahoma. They will be in Kerala for 7 days preaching, teaching, holding revivals, conducting dental/medical camps, and doing some maintenance work on campus such as painting and carpentry. Please keep them in your prayers for a safe journey, good health and successful mission trip. Thank you.

Terry is also the director of Joshua One Ministries — <http://joshuaone.org>.
