Founder & President -
Dr. John Philipose & Annie

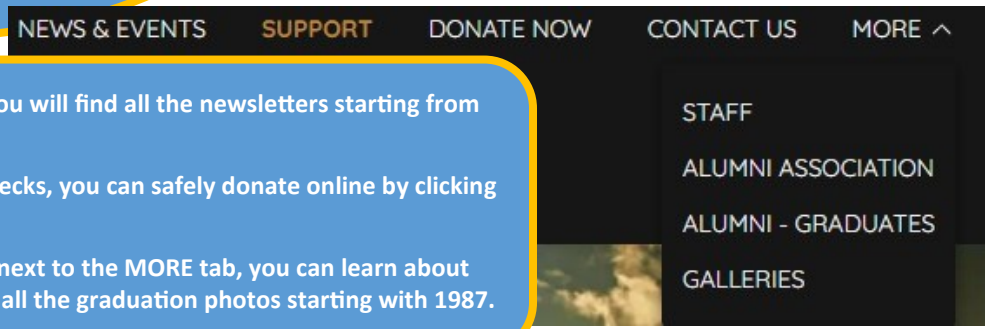

We have created tabs on the home page that will take you directly to the page you are interested in.

Earlier this year, John Philipose received the 2020 Seth Wilson Outstanding Alumnus Award from Ozark Christian College. They put together a nice video of my dad's work that's been going on over 50 years. This video has been loaded to the website for you to view.

When you click on the "ICBC MESSAGE" tab you will be able to see several videos of how ICBC handled the virus and how many individuals we all touch with our prayers and support.

- In the NEWS & EVENTS tab, you will find all the newsletters starting from 2017.
- If you want to stop writing checks, you can safely donate online by clicking on the DONATE NOW tab.
- When you click on the arrow next to the MORE tab, you can learn about our staff, graduates and view all the graduation photos starting with 1987.

Hi-Plains School of Missions has invited us to present the ICBC work in October. Dan & I are very excited to be part of this program. We will be visiting 18 churches in a three week period.

The Vision of Hi-Plains School of Mission: A world transformed by Good News!

The Mission: Building the Kingdom of God by taking the Good news to the whole world!

There will be a total of six missionaries that are participating in this program and we will be sharing our work from countries such as: India, Cuba, Mexico, Uganda, Southeast Asia, Haiti, Myanmar, Brazil, Ecuador and South America. We will all meet Thursday evening October 1st in Shattuck, Oklahoma. All day Friday and Saturday morning we will take turns presenting our work. Saturday afternoon we will disperse to our respective churches. From Sunday morning through Thursday, Dan & I will visit 6 churches. We get Friday and Saturday off and depending on how far we are from our home, we can come home or stay where we are. This schedule will continue through Thursday October 22nd. On Friday the 23rd, we will all meet back at Shattuck for a final get together before we all head to our homes.

1st week Dan & I will visit the West Territory: Three churches in Panhandle Texas, one in Kansas and two in Oklahoma.

2nd week—East Territory: All churches will be in Oklahoma. Some of the cities are; Talooga, Freedom, Driftwood, etc.

3rd week—Central Territory: Four churches in Oklahoma, One in Texas and Kansas.

I'm asking prayers for the following:

- Church members will come to hear the mission work and be blessed
- Strength for the presenter
- Safe travels
- Good health

We are looking forward to visiting all the churches, and the hundreds of new friends we will gain. Some of these churches maybe small in numbers but they are rich in history and on fire for God and Missions. In the next newsletter I will share how it all went. Thank you from the bottom of my heart for sticking with ICBC and John Philipose for many, many years. We love you and pray daily that God blesses you abundantly.
