WHAT IS CREEPY COFFEES PODCAST?

CREEPY COFFEES IS YOUR HAUNTED HIDEAWAY FOR ALL THINGS PARANORMAL, MYSTERIOUS, AND MACABRE—SERVED WITH A FRESH BREW IN HAND.

HOSTED BY EDDIE AND DAWN RAVENSCAR, THIS SPINE-TINGLING PODCAST BLENDS CHILLING TALES, TRUE CRIME, DARK HISTORY, AND HAUNTED TRAVEL WITH A LOVE FOR COFFEE AND CURIOSITY.

FROM INFAMOUS HAUNTED HOUSES AND BIZARRE UNSOLVED MYSTERIES TO GHOST-HUNTING ADVENTURES AND EERIE FOLKLORE, EACH EPISODE IMMERSSES LISTENERS IN AN ATMOSPHERIC JOURNEY INTO THE UNKNOWN—ALWAYS WITH A STEAMING CUP OF JAVA IN TOW.

WHETHER WE'RE INVESTIGATING HAUNTED LOCATIONS, REVIEWING PARANORMAL-THEMED COFFEE SHOPS, OR INTERVIEWING EXPERTS IN THE SUPERNATURAL AND PSYCHOLOGICAL FIELDS, CREEPY COFFEES OFFERS A UNIQUE BREW OF SUSPENSE AND STORYTELLING WITH A COZY, CAFFEINATED TWIST.

WHY SHOULD WE BE YOUR GUEST?

We don't just talk about the paranormal—we live it, brew it, and bring it to the mic with personality, passion, and proof.

As hosts of Creepy Coffees, we deliver more than ghost stories. We blend dark history, true crime, psychology, and firsthand hauntings into a compelling, caffeine-fueled experience your audience will remember. Our conversations are insightful, entertaining, and always leave listeners wanting more (and maybe sleeping with the lights on).

We've explored some of the most haunted locations in the U.S., interviewed criminal psychologists, and even tasted coffee with a sinister twist—all with a tone that's equal parts spooky, smart, and slightly sassy.

Whether you're looking to stir up a supernatural story, dive into real haunted history, or simply entertain your audience with something a little eerie, we're the perfect guests to keep the conversation (and the coffee) flowing.
