## UKAP Panel Events

This year we organised two amazing panel events in collaboration with Albanian societies at well-recognised universities in London and worldwide: LSE and UCL; featuring successful and accomplished Albanian professionals to share their valuable insights and expertise. Both events were attended by more than 300 students, young professionals and others.

On 4th May, UKAP and The LSE Albanian Student Society collaborated to host Ella Hoxha (Senior Investment Manager), Bernard Mustafa (Solicitor), Sonila Troka (Marketing Director).

On 26th October, UKAP and The UCL Albanian Society worked together to host Geri Cupi (Entrepreneur); Irena Brookes-Smith Brookes Smit (Healthcare Scientist); and Revi Panidha (Senior Teaching Fellow).

## UKAP Networking Events

We were delighted to organise two networking events, hosting more than 400 Albanian professionals from diverse industries, including investment banking, marketing, law, accounting, medicine, technology and many others.

Our events are a true celebration of the Albanian professional community in the UK, with people from all walks of life coming together to share their inspiring stories.

## UKAP Mentoring Program

- UKAP Mentoring Program is an initiative voluntarily supported by Albanian professionals (i.e. mentors). This program aims to support ambitious and hard-working students and recent graduates of Albanian origin to improve their professional development, realise and achieve their career goals.
- 
- To date more than 40 students or recent graduates have been selected to be part of this program. Each mentee was assigned a personal mentor. All mentees gained the unique opportunity to network with professionals in relevant fields of their interest, get professional advice on job applications, leverage shared cultural values and many others.

### APPLICATIONS NOW OPEN!

We are pleased to announce that applications are now open to all ambitious students and recent graduates of Albanian origin in the United Kingdom.

If you or someone you know would benefit from joining this program, please visit our website to apply.
