

# Welcome Summer! Emery Psychology Update July 2026

WE ARE SO EXCITED TO WELCOME BACK  
DR. SANDRA FROM HER MATERNITY LEAVE!

Dr. Sandra Schneider is an OPQ-licensed psychologist who has been part of the Emery team since 2023. She is passionate about supporting children, adolescents, and adults through neuroaffirming assessment and therapy.

The Doodle Club was a Huge Success!!

If you have a 12-16 yr old who is looking to connect with others who share their art interest in a chill setting - please reach out to Kim for information about our Fall 2026 session

Doodle Club

A safe space to create

## YUCHEN WANG

Yuchen is a graduate student in School and Applied Child Psychology at the University of Calgary. She has a Labrador named Luca who is super playful and she loves Lego!

## INTRODUCING OUR 2026/2027 EMERY INTERNS

We are so pleased to welcome Yuchen and Julia to the team for their 2026/2027 clinical internships. They will be supervised by Dr. Katie and Dr. Ann who look forward to learning from them!
