

## Additional Services

- Consulting Sessions for students(one-on-one) and groups
- Customizable Workshops for teachers and staff that stress the importance of relationship building and the positive effects it has on the classroom and school as a whole. \*Supporting a Live R.I.C.H. school culture
- Trainings and Workshops for staff/volunteers (ex; non-profit agency staff providing services at a school site, volunteer agencies providing staff to school sites) that highlight positive ways to integrate into a school site as well as how to positively engage with their student population.
- Speaking Engagements
- Program Development
- Children's Books created by **Live R.I.C.H.** founder Brandon Ervin (Readings and Workshops conducted for students that tie into the theme of books which touch on character development, self-worth, and positive choices.)
