

Callings from the Lakeshore

Calvary & St. Paul Lutheran: Two Churches, One Body
October 2025

Notes from the Pastor's Chair

The leaves are starting to change, the temperatures are dropping at night, and football has started so we all know what that means...Fall is here. We start looking forward to less yard care, more dinners of warm soup and chili and nights by the fireplace. (or firepit)

October for the church is the traditional time when we start to look toward the budget for next year and think about how we are going to steward the church for the next year. We have just two short months until the start of the new year.

We steward the church in many ways. Soon we will see the usual time and talent sheets go out asking about the various ways that you wish to use your gifts at church. Things such as ushering, helping with altar guild or in the gardens around the church. Serving on council, or a committee or just volunteering to help when it is needed. Please know that The Church and I appreciate everything that each and every one of you does here because it takes all of us to make the church operate-it takes all of us to be a family.

Church is not just another place for us to come and gather once a week. It is our time to collectively worship, to sing, pray and stand together in hope of the resurrected Christ. Church is a time to be fed and refreshed in the face of a world that is broken and hard. Church is a time for togetherness and community when the division is all too real.

Church is also our place to hear the Word of God read each week. It is one of our opportunities each week to reflect upon the teachings of Jesus Christ and decide how we take those teachings out into the world through our words and our actions.

Church has never been just about a building. Church has always been about a community of people sharing their gifts with each other and then the world. Church has always ebbed and flowed but now it can look as if church is unimportant or dying. But church has been dying since the day it started. Church is always dying and being reborn and reshaped.

As priorities shift in our lives, our communities and the world around us as Christian and followers of Christ we need to continue to find ways to keep Jesus ever present in our lives. Jesus's simple words, "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit" from Matthew's gospel Or his words, 'You shall love the Lord your God with all your heart and with all your soul and with all your mind.' ³⁸ This is the greatest and first commandment. ³⁹ And a second is like it: 'You shall love your neighbor as yourself.' They don't come with a detailed set of instructions on how we do that. In fact, none of Jesus' words are an how-to-manual for church and how to do it. It's like everything else; we have to figure it out.

Being church has and never will be easy. It wasn't when the apostle Paul and the other dedicated followers were setting up the church in the first century. Or when the various councils were hammering out the creedal statements. It wasn't easy for Dietrich Bonhoeffer Germany in the late 30's and forties. It wasn't easy in the 2020 when the world shut down because of Covid. My point is that nothing we love and care for is easy. So, as we go into this season of Fall, looking towards budgets and stewardship let's put our heads together and be Church. Looking to the future together. ...Pastor Heather

FALL CLEAN UP DAY AND CHILI DUMP

St Paul Fall Clean-up day and Chili dump will be **October 19th**.

LUKE BIBLE STUDY WITH BRUCE

You are invited to attend a new study of the gospel of Luke on Monday evenings (6:15 - 7:45 p.m.) or Thursday mornings (10:00 - 11:30 a.m.). We will meet in the Gathering Room at St. Paul for seven sessions - and seek to grow as Christians through prayer, reading scripture, and sharing our faith perspectives.

Pastor Hanstedt will again try to guide the sessions while highly gifted participants bring the realities of the Christ event into the realities of daily life. The national divide politically, global warming, international strife, and a myriad of issues threaten us. Does the gospel of Luke offer a counter-theme? Luke's gospel is about hope and joy, love and peace. That's the claim. Please join us on either Mondays or Thursdays to see what gifts Luke offers. You're needed.

FOOD AND FAITH WITH PASTOR HEATHER

The next Food and Faith will be Tuesday, October 14th at 11:00 am at St. Paul, and then Wednesday October 22nd at 11:00 at Calvary. I will be providing lunch and dessert for all who come. We will read a scripture and talk about what it is saying to us. This time is open to questions and concerns about God, our faith, or anything that is pressing on our minds. I don't promise to have all the answers, but I promise to listen. Please consider joining me.

BOOK CLUB AT ST. PAUL

Thursday, October 23rd at 3pm

In October, Book Club will be reading “Code Name Sapphire” by Pam Jenoff. If you’re interested in joining, please let Joy know (joycarlson4@gmail.com) and you can be added to the Book Club email list. We have library copies available to borrow.

RECYCLING OPPORTUNITY

Do you have ink cartridges lying around? Calvary has a box in the gathering pew for the recycling of used ink cartridges. They take all types except the long toner cartridges from larger printers. St. Paul members if you would like to bring yours in to be recycled arrangements can be made to get them over to Calvary. The more we recycle the less that end up in the landfill!

Funny Name. Easy Fundraising.

It's easy to buy cards and support this ongoing St. Paul fundraiser. Stop by the table next to the office before worship. Scrip gift cards are a practical, easy way to give a little extra to St. Paul while shopping for items you already need!
