Rev Dr. Thomas Peavy

I was a member of the Ceremonial Guard for President Johnson's inauguration, and in the funeral details for President Hoover and General Douglas MacArthur, in addition to the usual ceremonies in Washington. After my Guard tour, I was ordered to the USS Bainbridge, DLG(N) 25.

My service in the Presidential Ceremonial Guard has followed me long after my tour. I have volunteered for a local Hospice for the past 10 years and perform recognition ceremonies for veterans who are at end of life.
