

DON NORD DESIGNS

To order, contact Don Nord Designs, call (928) 635-4090 or mail to: Post Office Box 942 Williams, Arizona 86046-0942
Our items are made by combining natural woods with real railroad spikes and/or antique highline insulators in our woodshop in Williams, Arizona.

Shown in oak
SMALL BLASTER 5 ½" high

Shown in walnut
LARGE BLASTER 7 ½" high

LIGHT SWITCH BLASTER 7 ½" high

BLASTER DYNAMITE WIRES SOLD SEPARATELY

These recreated iconic dynamite detonators were used in every Old West mine. These are made from solid oak (cherry or walnut available) and are very high quality that will look great wherever displayed and are fun reminder of an out-West vacation. Handle works up and down -- add dynamite and wire for realistic look. The light switch blaster will switch a table lamp on or off when the plunger is pushed.
