

## **WELCOME TO THE CLARK COUNTY SADDLE CLUB**

On behalf of our club's board members, we would like to personally welcome you to the Clark County Saddle Club (CCSC). As a growing club, we are excited to have you, and your family join our ever-growing community. Here is some important information to help you navigate the club, get involved and understand the membership rules.

### **Club Access**

As a paid member of the CCSC, you have open access to the grounds and two arenas to ride.

- A key FOB will be needed to open the access gate. If you do not have your key yet, please contact Shana Chandler, (360) 513-7206.
- Arena hours for spring and summer will be 5am-11pm starting March 1<sup>st</sup>. Winter hours are 7am-11pm.
- The main indoor arena is open to ride during these hours pending any events that are scheduled.
- The outdoor arena, Jake Thompson Memorial Arena, is available weather permitting if no events are scheduled.

### **Getting Involved**

The club is a great place to meet other members and discover new interests. In addition to arena riding, check out our subgroups including Ropers, Barrel Racing, Gaming, and Cow Sorting. Group contact information, our event calendar, map of the grounds and other important information you may need can be found on our website. We are also on Facebook. Like our main Facebook page for alerts and updates. Join our subgroups for additional information in those areas. All this contact information can be found on the attached page for easy future reference.

- Have questions about your membership? Contact Shana Chandler, (360) 513-7206.
- Each month, there is a Board meeting on the 3<sup>rd</sup> Monday at 7pm and General Member meeting on the 2<sup>nd</sup> Tuesday at 7pm. We welcome you to attend our meetings and bring your questions or input to the board.

### **Volunteering**

The CCSC is all volunteer run and depends on our members to give back to keep our club going.

- Active Adult members are required to complete a minimum of 12 volunteer hours each year.
- There is **no limit on hours** as volunteer help is always needed at events and maintaining facilities. Work parties are often scheduled throughout the year for cleanup and special events. They will be posted on our website, Facebook page and subgroups.
- Those not completing twelve full hours per year will pay the service hour buyout amount of \$250 due by the March general meeting of the following year.
- To volunteer, check out our event calendar and contact the person in charge of the event. Volunteer opportunities will also be posted on the website, on our Facebook page and other Facebook subgroups.
- Please keep track of your volunteer hours and submit them to the event coordinator or email them along with any questions to our Volunteer Coordinator, Rebecca Olsen, at [rebecca6483@gmail.com](mailto:rebecca6483@gmail.com).

## Club Rules

To ensure the club operates in a safe and efficient manner, CCSC By-Laws, are our rules and regulations. It is your responsibility to read and understand the club rules. Feel free to ask any questions you may have.

- The by-laws can be found on the club website at <https://www.clarkcountysaddleclub.com/wp-content/uploads/2022/05/CCSC-By-Laws-Final-Revised-5-11-21.pdf>.
- When at the club with your horse(s), only tie up in designated areas. Please clean up after your horse when tied up in the arena and at your trailer. Wheelbarrows and forks are provided. Dump in manure bunker in parking lot.
- **Only members are allowed to haul in and ride during member ride times. In addition, according to the By-Laws Article 5 Section 5, the CCSC is not to be used to promote personal commercial gain.** No outside trainers, lessons or showing of outside sale horses is allowed. Farriers and chiropractors/massagists are not permitted unless it is an open event with prior approval.
- Please remember to share the arena with other members during open ride time. There is a 20-minute share time allowed when using barrels, poles, etc. Refer to Article 18: Closed arena and facilities, in our By-Laws, for more information on Share Time.
- No pets are allowed in arenas or buildings. Pets must be on leash when on grounds or confined at trailer.
- When riding at the club, it is strongly suggested to wear boots with at least a half inch heel for the rider's safety and to prevent a foot sliding through the stirrup especially in the case of an emergency.
- As a reminder, when riding at the club, you are riding at your own risk.

*Thank you for becoming a member of our Saddle Club community.*

*We are excited to welcome you to our organization and look forward to meeting you in person.*
