

Clark County Saddle Club Horse Expo 2026 Sponsorship Opportunities

Exciting news! This will be the first Annual Horse Expo to be held at the Clark County Saddle Club in Battle Ground, Washington. It has been 4 years since there was a local horse expo in Clark County. Currently, there are no horse expos being held within a 3-hour drive. It is time to bring one back and the Clark County Saddle Club is doing just that! We hope you will consider helping us bring this event to our local area. Clark County is home to one of the largest populations of equine owners in Washington state. In addition, we expect attendees to come from both Oregon and other locations in Washington.
