## IRISH-AMERICAN WHISKEY

Brothership Whiskey is inspired by the adventurous spirit of our first Irish-American ancestors. We've created a unique whiskey that combines the rich and big flavor of American whiskey with the traditional smooth taste of Irish whiskey. Brothership celebrates the intertwined heritage of the two countries and the call to history and family that is felt across the Atlantic.

**TASTING NOTES**

**Nose:** Aromas of honey and some butter and vanilla like a nice Chardonnay

**Mid-Palate:** Sweetness of apple cider with a subtle hint of butterscotch candy

**Finish:** Surprisingly dry floral finish
