THE BOBBY JONES CLOVER WHISKEY WAS CREATED BY THE JONES FAMILY TO SUSTAIN THE LEGACY OF GOLF'S GREATEST GENTLEMAN AND AMATEUR CHAMPION.

After a round it was Bobby's custom to enjoy three fingers of the finest local whiskey.

*The collection is named **THE CLOVER** because Bobby was born on St. Patrick's Day and his mother gave him a four-leaf clover medallion for good fortune. He wore the medallion during every round he played.*

Each leaf of a four-leaf clover is said to hold a special meaning; HOPE, FAITH, LOVE and LUCK. All of which is helpful in life, golf, and the making of exceptional whiskey.

☘ BOBBY JONES CLOVER WHISKEY COLLECTION ☘

TENNESSEE STRAIGHT BOURBON WHISKEY
This ten-year aged, single-barrel whiskey was distilled according to the "Lincoln County" tradition of filtering the spirit through charcoal before aging. We chose it for its exceptionally rich flavor and notable smoothness.

STRAIGHT BOURBON WHISKEY
This single-barrel straight bourbon whiskey's grain bill was crafted to produce a full-bodied and well-balanced flavor with a soft, lingering finish.

STRAIGHT RYE WHISKEY
This single-barrel, straight rye whiskey was selected for its "High Rye" grain bill, delivering notes of pepper spice and rye balanced with warm lingering caramel and hint of cherry in the finish.

A PORTION OF THE PROCEEDS SUPPORT THE BOBBY JONES CSF FOUNDATION WHOSE MISSION IS TO FIND A CURE FOR THE DISEASE THAT TOOK THEIR GRANDFATHER'S LIFE.
