THREE FINGERS HIGH
12-YEAR-OLD CANADIAN
WHISKY IS A
LIMITED EDITION.

THIS IS A SPECIAL AND VERY
LIMITED BOTTLING OF 12
YEAR CANADIAN WHISKY
FINISHED IN AMONTILLADO
AND OTHER SHERRY CASKS.

With a nod to bar history, three
fingers of whiskey refers to the
amount of whiskey that would fill a
glass to the level of
three fingers.

In the Old West, a
barman with fat
fingers drew the
largest crowds.

GIVE ME THREE FINGERS BARMAN!

This Canadian Whisky is a complex
and aged 100% rye whisky with
nuances of spice, nutmeg and
cinnamon. Rich and layered with a
deep, lingering finish.

Three Fingers has a taste and profile
that only rich, aged 12-year-old
Canadian whisky's can offer –
no shortcuts here!

The whiskys are distilled multiple
times in small batches using a pot
still and continuous distillation
from a reserved blend of rye
whiskys before it is placed in casks
to age for 12 years.
