DEATH AT A FUNERAL

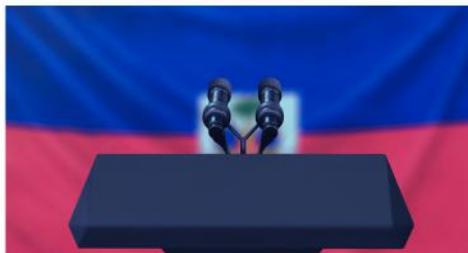

WRITTEN BY: SHIMSHONE YASHRA'AL

RECENT EARTHQUAKES LEFT HAITI IN SHAMBLES

20 people lost their lives this past Shabbat while attending a funeral. A 7.5 earthquake hit the southern parts of Haiti collapsing the church along with other buildings. Since the country is currently going through civil unrest coupled with flooding and mudslides there hasn't been much help either. Recently The President of Haiti was assassinated so the government and its officials aren't in a position to provide rescue for its citizens. The people aren't relying on help to come from its country's representatives either, it's been each one reach one during this time of chaos.

I DON'T EXPECT ANY HELP, WE'RE ON OUR OWN," SAID MICHEL MILORD, A 66-YEAR-OLD FARMER IN TOIRAC, WHO LOST HIS WIFE AND HIS HOUSE IN THE EARTHQUAKE. "NO ONE TRUSTS THIS GOVERNMENT HERE."

These are some of the signs Yahusha told us to be on the look out for, when earthquakes and nation rising against nation take place it's a reminder of the end times.

Matthew 24:7

SELF CONTROL

The ability to control oneself, in particular one's emotions and desires or the expression of them in one's behavior, especially in difficult situations.

WRITTEN BY: YV SLIM

As we observe the times we are currently in, the ability to have self-control heavily lacks within the world. Mostly due to everyone wanting to live out their heart's desires. Which ranges from lusting after women, money, or simply power/position. Whatever it may be, without self-control anyone could fall into temptation. Even our beloved Head/Chief YAHUSHA was in all tempted as we are and still was without sin. His perfect example was our blueprint and cheat sheet to know that it is accomplishable.

As it is written he that has no rule over his own spirit (or in other words) "He that has no self-control" is like a city that is broken down with no walls. Meaning anyone can come into this person's life swaying with temptation and ultimately become successful at doing so. With all the talk with promiscuity lately and the type of trouble it brings. One challenge that has seemed to have surfaced is the "He didn't know" challenge. With "Trans-women" telling their story of how they seeming tricked a guy into believing that they are indeed women. Now a man with no self-control, who chases after looks and the bodily features of a woman. That man could ultimately become a victim of this. It has become fairly easy for them to blend in due to many sisters wearing wigs, excessive makeup, and other cosmetics they use to beautify themselves. In closing, the lack of Self-Control will enviably lead a person down the broad path which only leads to destruction.

SELF-CONTROL

Hebrews 4:14-16

Seeing then that we have a great high priest, that is passed into the heavens, Yahusha the Son of YHUH, let us hold fast our profession. For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need

Proverbs 25:28

He that hath no rule over his own spirit is like a city that is broken down, and without walls.

#HE DIDNT KNOW

BY: MYSHPAT

In the recent world of social media there has been a new trend that has gone viral... and it's called #HeDidntKnow.

First thing that comes to mind is "he doesn't know what?" After watching a few videos online about what this trend is about, it sums up to this:

People who have "changed" their gender and identity are deceiving people who are of their original gender. This makes them believe they were born the way they identify themselves, and brag about the person they are dealing with who don't know.

Being drawn away by lust is what has our brothers falling victim to the craftiness being done to them.

Proverbs 6:25 (KJV) Lust not after her beauty in thine heart; neither let her take thee with her eyelids.

Desiring a woman for her beauty or what you may believe to be a woman isn't recommended at all, because that beauty is only on the outside and anyone can mimic that as seen from this challenge. So to keep you away from dealing in lust and being drawn away by it, it's best not to desire any woman for her beauty.

They say listen close, and a person will tell you who they are: even more their actions too show forth the manner of individual you're witnessing. The Word tells us having love for the world and its ways naturally go against the love of The Almighty and what is set as good. It's plain and to the point but due to the simplicity of the matter many stumble at the importance of the choices we make. Even who we communicate with because it can rot our manners. Knowing this creates an appetite to know what's going on, instead being lead astray by dead end desires that only cause more problems. Now time is more critical than we had once believed to repent, we simply must turn against what has brought so many wounds and confusion into our lives. Remember the knowledge of the world isn't fulfilling or fruitful when it comes to being saved at the most critical moments.

Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him

- 1 JOHN

2:15

If we never seek out what The Most Powerful has provided us in having The Best Ally to guide The Chosen to eternal healing and sovereignty we'll truly miss the boat. So living out any lustful thought will turn us to dust indeed. If we don't mentally and physically turn away from whatever has become a delay on researching our salvation. We must have a heart for righteousness which provides endurance that can push us to the end of this time, in order to be rescued from this impure place and placed in The City Of Peace forever.
