NO MORE ASTROWORLD

The greater light, lesser light and the stars are placed there for signs, seasons, days and years. The Most High did not mention that they will be of use to determine your future endeavors or explain your personality.

People believe that these horoscope and astrology results are the best advice for them. But that is not the case. Will the best advice for how to use an iPhone come from an Android manual? I think not, so it is the same way with our people taking advice from an horoscope or astrology reading.

The etymology of the word horoscope shows that it's original meaning is an observer of times. The Most High has warned us numerous times to not deal with observers of times for the very reason above. They aren't meant for us. They give advice that is not beneficial to life, but only benefits the pleasure of our flesh. Deuteronomy 18:10-12 (KJV) 10 There shall not be found among you [any one] that maketh his son or his daughter to pass through the fire, [or] that useth divination, [or] an observer of times, or an enchanter, or a witch, 11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. 12 For all that do these things [are] an abomination unto YAHUAH: and because of these abominations YAHUAH thy Mighty One doth drive them out from before thee.

The Aligning of the Real Stars

While the heathens are looking up at the sky wondering what the lights mean. The real stars are getting aligned, creating an ancient image called Israel. Though many have tried to erase or dilute the knowledge of The Most High's people the testimonies just keep pouring in. As we all settle into the new year It's prime time for the season of truth and best part is you don't have to look beyond the earth to find it! The enemy would look for you to search the cosmos and take advice from fortune cookies, which YHUH's Law speaks highly against. Many of us have been in violation of these rules because we simply don't consider and that is what has us in a tight situation that seems like no way out. Every nation has been stealing all the resources from the earth for themselves without account but their is a Leader who will stand up for our cause. As soon as we activate the light within us will be the only constellation worth mentioning. Until then we continue to align ourselves with The Greater Chief Light Yahusha!

Isaiah 49:6 (KJV) And he said, It is a light thing that thou shouldest be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel: I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth.
