PERSPECTIVE

Based on the framework of the mind is the perspective someone will see from.

Perspective in layman's term would be the frame of mind. Based on the framework of the mind is the perspective someone will see from. Which is why YAHUAH encourages us to view from His perspective. His perspective is above all of ours and for good reason, literally. He knows our hearts are evil and wicked but his perspective is founded and framed on righteousness only. This is why we trust in His perspective.

UNDER — STANDING

The fear of the LORD is the beginning of wisdom: a good understanding have all they that do his commandments: his praise endureth for ever. - PSALMS 110: 11

Many of us have an understanding of how society works. The rules that govern people are set in place to keep the order, but do they provide safety? Here in America there's a violent crime committed every 26 seconds and due to the nature of the founders of this country it continues with no signs of letting up. YAHUAH has laws, statutes, commandments, and judgements: because judgement is altered in the earth people don't wholeheartedly fear the consequences for their choices. The love of money is the root of all evil, what people are willing to do to obtain those paper and digital notes cause many to err by turning their head away from The Law. We'd be wise to seek out how to respect The Power that created life and established this realm for the enjoyment of our peace towards one another.

BATTLE OF THE DIETS

*For the kingdom of
YAHUAH is not meat
and drink; but
righteousness, and peace,
and joy in the Holy
Ghost. - ROMANS 14: 17*

Having a righteous way of living (diet) goes beyond what you eat and drink, now this doesn't mean there's isn't a code of conduct. We shouldn't be battling over which new trendy diet is The One, but rather seeing what YAHUAH designed for our healing. By YAHUSHA's stripes (the lashes he took) we are healed, He is our head, so his thought on the matter, matters. He told us what comes out of a man is what defiles him, because from the mind a person speaks.

So the oracles of YAHUAH (The Word) isn't coming forth that's a sign of uncleanness which isn't acceptable for The Kingdom. Our thoughts should lead to actions and we'd be better off seeing what's allowed then using what works best for our own desires. So whichever diet you choose should be rooted in righteousness and bring peace to whomever you're sharing with.

YAHUAH IS THE FATHER

STRENGTH OF THE HOUSE

We all know YAHUAH is The Father and YAHUSHA is His Son. We have been commanded to honor our father (and mother too). When we see what a father is from a Hebraic perspective we

see the picture of a “strength of the house”. Being the strength of the house, this makes the Father the authority.

Is YAHUAH the authority in our life? Can He command and influence our decisions? Will we comply with them because we accept Him as the authority in our life? We say yes to all and encourage others to follow the same also. Because if we don’t, then we cannot be blessed or even heard from The Father if we ignore His commands.

If we say we trust YAHUAH then we should know that what He is telling us is reliable. For instance, YAHUAH tells us that if we serve Him, He will take sickness from the midst of us.

It is a known fact that our people are the most affected in the categories of bodily sicknesses, but we also suffer heavily from mental health. These things are commanded to happen to us if we choose not to obey our Father’s commands.

If we want these sicknesses to leave out of us for good we must serve YAHUAH with all our heart, might and soul. Allow Him to be the one to influence our decisions. It is even stated that people who suffer from mental illness have issues with decision making. If we deny understanding given by YAHUAH and lean to our own understanding, then we will suffer from mental illness or as the scriptures state a sorrow of mind.

Let’s renew our minds and continue to endure.

TOWERING OVER BUNKERS

Proverbs 18:10 (KJV)
The name of YAHUAH
[is] a strong tower: the
righteous runneth into
it, and is safe.

With the world literally going bunkers The Righteous are enduring in peace from The Strong Tower of YAHUAH. This embassy provides safety along with all the amenities needed to be in complete comfort from all the confusion that the world has going around like a bad cold. If you haven't heard the YAHUAH's

Day Preppers are in complete fear building bunkers underground to store of all there goods to try and escape the Great Day Of Judgement. In case you were wondering YAHUSHA said to store your treasures in heaven and those who are seeking to save their own lives will lose it in the end. So if you're enduring or just started keep The Faith in name above all names and the salvation that comes along with it!

STANDING ON BUSINESS

Luke 2:49 (KJV) And he said unto them, How is it that ye sought me? wist ye not that I must be about my Father's business?

When you repent The Most High will set you apart from the old crowd. When they haven't seen you in a while they might ask "where have you been?". Standing on business should be the response, but Who's business should we be standing on, the one that's not going to crumble but outlast all the competition. YAHUSHA stood on business and showed us how to be reconnected to The Father and return home as His Children choosing to do righteousness. We shouldn't wanna be pop stars but rather shine like the true Lights that we're called to be in this world. The whole duty of man is to respect YAHUAH, keep His Word, and be about His Business which has been saving souls since The Beginning!
