## JEWLIUS SERVIN'

BY: @UZZY2X

It's Ya Favorite Ach' is back again with another banger. Make sure you got your manna bowl ready as Beloved Daud does not disappoint on Jewlius Serving.

This album will keep you occupied for a while. From songs like Contraband, Drought Proof, and Running you see why Beloved Daud's lyrics get better like fine wine. From the righteous melodies to the Ruach filled beats this album will sure to keep the the spirit thriving. My favorite songs to listen to Ascension, Drought Proof, Mr. Clark, Contraband. This album shows why you should trust in YAHUAH at all times. You give him your all he'll do the same. Even though some may doubt keep your faith. He'll always come through.

## SCRIPTURES OF TRUTH

BY: @UZZY2X

Uzzial Halalyahu, formerly known as Slicc Pulla, drops his first debut BREW music album and we have an Exclusive Review. This is my first time actually listening to a project by Uzzial Halalyahu and I was left appalled. I had to know more about him so I checked out his Brew report. He starts off the album with a spoken word with a smooth instrumental that meshes in with what he's saying. Then he opens up the curtains and the show begins. From the top to the bottom he delivers. Also with features from Yezi and Beloved Daud on Faithful Instructions.

The Most High brought us from the dust for a greater purpose. We're designed to show all that can be rightly done living by the rules of life. When we follow these rules it keeps everything working properly mentally, physically, and spiritually. The Word shapes our reality based on the choices we make, so if we want to be successful, or live in peace, making healthy choices for our complete wellbeing has to be a first step.

If you're paying attention and not distracted with what's going on around us you'll see entertainment presented in many ways, even during the sickest times the world has witnessed. Not only can you stream Concerts and Sporting Events you now can attend in person with or without a vaccination.

So for the sake of keeping the system going, crowds can mingle in the name of fun with or without a shot. It doesn't stop there, Rap Jingles are being made to get everyone excited about the temporary solutions that are being offered to society which are nothing more than sad attempts to show control over anyone looking for help. The majority of people will miss out on their healing by rejecting The Living Power and listening to whatever man is saying on the airwaves. Whether it's about a diet or working out, vanity has crept in and pushed its way front and center of The Most High's Glory. The Good News is that we don't have to follow Baal to the Fall of all this confusion, you can turn away from destruction and head towards a Healthy state of mind with YAHUAH.

# THEY PROPHECY SALVATION

---

written by @myshpat | THEWAV613.COM

Contrary to popular belief, religions are not the only ones preaching a sense of salvation to the people. Salvation by definition is preservation or deliverance from harm, ruin, or loss. So salvation would be the preserving of life because the losing of a life is considered harmful, ruin and a literal loss. Who are some of those that are preaching salvation?

When viewing from the world's perspective there are many ideas being thrown at the people's about their salvation, or better yet to preserve their life. Let's say for instance that there is one who eats according to the vegan lifestyle and believes that this insures them of a guaranteed long life ahead of them.

On the other hand this same one who practices the vegan lifestyle also practices the ways of being a robber. With what they seen as a way of guaranteeing them long life can now be hindered and cut short due to the decisions they make outside of just eating physical food.

Another one would be the people who says to have faith in The Most High but claim that there is more than one way to Heaven. Heaven is the perfect place where YAHUAH dwells and His Word gives us the standard on how to dwell with Him. His Word tells us that it is only on way to be to dwell with Him and that's by doing His Law, Statutes and Commandments. So how can there be many ways to Heaven being that it's only one way to please Him. That path of many ways, which can be identified as the broad way, has led and continues to lead many to destruction.

## What Are They Known For?

“Giving out the good news”  
(as some would say)

“Most prominent figure of the  
church”

“Collecting tithes on offerings”

We’ve all heard time and again, “if you tithe good in church the Most High will bless you exceedingly.”

We seen grandparents and parents relentlessly tithe in order to receive favor from above but never caught a break.

“We are saved by grace, The Most High knows your heart”

Jeremiah 17:9 KJV

“The heart is deceitful above all things, and desperately wicked: who can know it?”

## What Are They Known For?

“Heroes in lab coats”

“First line of defense”

Doctors are thought of as hero around seemingly saving others with medicine. Pharmacy originates from the Latin word “pharmakicia” meaning witchcraft.

Making the hospitals and doctors look prosperous was the idea to take the spotlight off the very one who has the ability to remove any sickness or ailment.

Exodus 23:25 KJV

“And ye shall serve YAHUAH your Mighty One, and he shall bless thy bread, and thy water; and I will take “sickness” away from the midst of thee.”

## PREDATOR VS PREY

"In order to establish a federal civil rights violation, the government would have to prove that Officer Loehmann's actions were unreasonable under the circumstances, and that his actions were willful," federal attorneys said. "... an officer is permitted to use deadly force where he reasonably believes that the suspect posed an imminent threat of serious physical harm, either to the officer or to others."

Prosecutors said that because the officers' stated that Loehmann thought Rice was going for a gun, the Justice Department would have to prove that "1) Tamir was not reaching for his gun; and 2) that Officer Loehmann did not perceive that Tamir was reaching for his gun, despite his consistent statements to the contrary."
