ITINERARY

Tuesday, June 23

When you step aboard our deluxe motor coach, beautiful scenery and adventure is yours for the next four days! We will have pick up locations en route through the Twin Cities as we make our way to Hinckley and enjoy an included lunch at Tobies Restaurant & Bakery. After lunch we will visit the Hinckley Fire Museum where artifacts from the 1890's that survived the fire are on display; and stories are told from that dreaded September day, which remains one of the largest wildfire disasters in history. We will complete our day with a tour of the Glensheen Mansion where you completely immerse yourselves in the lives of one of Minnesota's most influential families. While walking through the 39-room mansion, stories of the Congdon family and others who lived and worked there will take you back to that day in Minnesota history. Beyond the mansion, visitors also get a

spectacular view of seven acres of formal gardens and vegetable gardens. The next two nights you're in for a treat with a lake view room at the Comfort Suites in Canal Park.

Wednesday, June 24

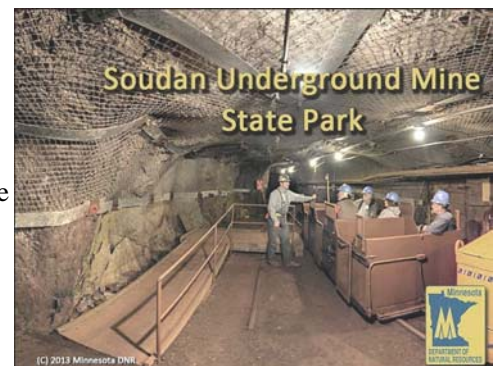

This morning our step-on guide will travel with us along the scenic North Shore with a stop at Split Rock Lighthouse and Gooseberry Falls. After a morning of admiring the beauty in northern Minnesota, we'll return to our hotel where lunch will be on your own at a restaurant of your choice at Canal Park; where the city meets the lake. Enjoy the charm of a small town in a big city, quaint shops, cafes, a variety of restaurants, and so much more. There are benches where you may rest, take in the beauty and view the lake with its oar barges and bridges, including the awe-inspiring Aerial Lift Bridge. Relax with the splendor of Lake Superior in the background. Late this afternoon, while aboard the Vista Fleet, discover what makes Duluth America's great inland world port.

Thursday, June 25

After breakfast we'll continue to drive to Northern Minnesota to Ely. Today we will visit the North American Bear Center - the only black bear and wildlife educational facility of its kind. Great things await you inside! After lunch we will travel to Minnesota's oldest iron ore mine, the Soudan Underground Mine, learning how this industry shaped the history and culture of the Iron Range. Above ground we'll tour the dry house, drill shop, crusher house, engine house, and view one of the deepest open pit mines while standing on the boardwalk. We can experience a typical day in the Underground Mine Tour; as we explore the last level where miners worked. Our overnight stay is at Fortune Bay Casino for an evening of gaming and dining pleasure.
