**Tok**

Strike it rich - Guaranteed! Experience Alaska's gold mining history at Gold Dredge 8. Enjoy a close up view of the Trans Alaska Pipeline and a presentation about its construction and operation. Take a seat aboard a replica of the narrow-gauge Tanana Valley Railroad and hear the conductor tell tales of prospectors who arrived by the thousands during the gold rush. The train takes you to Gold Dredge 8 where you will see first-hand how the dredge worked the gold fields; then receive a brief but informative course on gold panning. Once the train arrives at the camp, you will try panning for yourself! You will find gold - we guarantee it!! Just outside of Fairbanks we will stop in the town of North Pole for a chance to see the world famous Christmas House and the reindeer out back. Our home tonight will be in "The Crossroads of Alaska"- Tok.

**Whitehorse, Yukon**

This morning you will again be treated to breakfast and the remainder of the day will be spent traveling the Alaskan Highway. Originally built in 1949, the highway has been greatly improved in recent years. Enjoy an included lunch in Destruction Bay. A rest stop at Big Horn

Sheep Mountain will familiarize you with the wildlife of the area. As we enter Whitehorse, we will have a photo stop at the S.S. Klondike, the largest stern wheeler to forge the mighty Yukon River. Afterwards we will check into our accommodations and the rest of the evening is on our own to relax and enjoy.

Our overnight accommodations are at the Westmark of Skagway.

**Juneau**

The morning is at your leisure to experience Skagway, with an afternoon departure and cruise of the Inside Passage aboard the Alaska Ferry.
