more for those who want to try their luck! Late this afternoon we will travel to Laughlin to our hotel for the next three nights, at the Aquarius Casino Resort, along the banks of the Colorado River. The evening is yours to relax and become familiar with this magical oasis of the desert.

Today we're off to one of the "Wonders of the World" – Hoover Dam. The massive, arch-gravity dam is one of the greatest engineering achievements in human history. We'll tour the Visitor Center, offering theater level displays, get a first-hand look at the massive generators of the Power Plant, and capture scenic photos from the Overlook. We'll return to our hotel for a relaxing evening on our own.

Laughlin, NV

Thursday, March 2

After breakfast, we will travel to an authentic Western town, the once mining Ghost Town of Oatman, where the "wild" burros wander and greet tourists. It might be wise to bring a few carrots with you, as these "citizens" beg for hand-outs all day long. This afternoon, we'll wind our way on the Colorado River aboard the Celebration Steamboat for a 90-minute cruise while the Captain tells tales of Laughlin's history. There's always something to do in Laughlin, and this evening you may want to enjoy the beautiful, three mile Riverwalk, connecting major casinos and

Our travels today include gazing at the immense beauty of the Grand Canyon. The IMAX Theater at the Visitor Center presents a short documentary, "*Grand Canyon – the Hidden Secrets*", inspiration guaranteed! We'll continue driving through Grand Canyon National Park while making our way to our overnight accommodations at the Cameron Trading Post. Sunset views, the people, and the culture unlike anywhere else invite us to experience the Southwest.

Professional Navajo guides await our arrival and are eager to take us on a guided jeep tour, introducing us to the stunning beauty of *Canyon de Chelly National Monument* in Chinle, Arizona. Taking pride in offering more than just viewing their scenery, they'll teach us the history of their canyons and about the people. Is your stomach growling? We'll have a chance to experience local flavor with an included Navajo Taco for lunch. Your appetite will definitely be satisfied with tasty Fry Bread topped with various taco ingredients. Our road trip continues on to Gallup, NM, for our overnight stay at the Hampton Inn.

Monday, March 6 Pueblo, CO

This morning we'll have a short drive to the Spanish town, Santa Fe, the capitol of the state of New Mexico. A multiplicity of cultures, Native American Indian, Spanish, Mexican and Anglo, provide a rich and very colorful heritage. You will marvel at the Loretto Chapel, home of the miraculous staircase sometimes referred to as St. Joseph's Staircase. Puzzling architects and engineers, the mysterious staircase makes over two complete 360 degree turns, stands 20 feet tall, has no center support and rests solely on its base and against the choir loft. Our overnight accommodations will be at the LaQuinta in Pueblo, CO.

Tuesday, March 7 Kearney, NE

Skirting alongside the Colorado Rockies, we'll arrive in Colorado Springs and view the Garden of the Gods Park, a registered National Natural Landmark. Imagine dramatic views, 300-foot towering sandstone rock formations against a backdrop of snow-capped Pikes Peak and brilliant blue skies. This world-class Visitor & Nature Center and Museum is the most visited attraction in the region with all new interactive exhibits. A trained Colorado naturalist will "step-on" our coach to give a

tour of the park. Our afternoon travels will lead us into Nebraska for our overnight stay at the Country Inn & Suites in Kearney.

Wednesday, March 8 Home

This time of year over 600,000 Sandhill Cranes migrate to the Platte River Valley in order to 'fuel up' before resuming their northward migration.
