Fall Program, “The Mass”: Bishop Robert Barron, noted speaker and auxiliary bishop of Los Angeles, is the featured presenter at this Fall’s Adult Education Program in the DVD entitled, “The Mass”. Bishop Barron will deepen your understanding of what is happening when we celebrate the Eucharist together, how to get more out the Mass and how to make worship together more meaningful. The half hour video presentation will be followed by some time for questions and light refreshments. Parishioners and non-parishioners are invited (as well as non Catholics who may be curious about Catholic worship). I especially would like to see all liturgical ministers attend (lectors, altar servers, music ministry and Eucharistic ministers). Join us for this important series on what Vatican II called “the source and summit of our faith”.
