I (we) have been notified that our neighbor has requested a Design Approval to make improvements(s) to their home/yard, which may affect our use easement area or may have an impact on my(our) unit of the property.

They propose to:  
\_\_\_\_\_.

The drainage pattern will be maintained and not altered and we continue to have access to our easement for maintenance purposes. If there are any changes to this improvement that affect the easement area after this date, the applicant must again ask for the approval and submit a copy to the Managing Agent's office along with other documents for their application re-submittal.

We, the undersigned, have reviewed the proposed improvement(s) based on the drawings (attached), dated \_\_\_\_\_ for the above mentioned work.

Check one of the following: (for consideration by the Design Committee) -----

I (we) approve of this design modification

I (we) have reservations or issues with this request  and my (our) comments are provided below:
