

The Prophecies of Ezekiel

Ezekiel 18 Teaching from Maria Francine

CHAPTER 18 OVERVIEW

Ezekiel clarifies the false accusation that God punishes the son for the sins of the father. God's right to judge each person is based on the fact that He is the Creator.

Everyone will be judged for his or her own sin.

Ezekiel gives God's word that, "it is the person who sins, himself, who must die."

The person who didn't sin will not be judged.

Because of the power of God's love, He receives no pleasure from punishing the wicked.
