We offer a safe alternative for your beloved canine, where they are encouraged to socialize and exercise throughout the day to give you peace of mind. We understand the importance of your pets well being physically and emotionally while you are away.

Our main goal is safety, and we pride ourselves on maintaining a fun safe environment where dogs are grouped according to size and temperament. We offer both a large breed, and a small breed dog play room. We also offer a relaxation room for dogs who are not as energized or just need a break.

While at the Doghouse, your dog will create bonds, be engaged in positive physical activity and also have adequate time for resting.

All dogs are required to pass the temperament assessment requirements, and will be evaluated periodically. If your dog fails this assessment, they may be terminated immediately from our facilities. We have the right to refuse any dog who does not meet the temperament assessment at any time.
