

UNTIL SHE SPOKE

THE GREATEST STORY NEVER TOLD

An Epic Historical Drama

The Haitian Revolution as prestige event television.

LOGLINE

Jean-Jacques Dessalines rises from enslavement to military genius, leading a revolution that defeats empires and gives birth to the world's first Black republic.

SERIES OVERVIEW

Until She Spoke reframes one of the most consequential and under-told events in world history as a sweeping premium series about conquest, resistance, betrayal, love, statecraft, and liberation. The series merges battlefield scale with intimate character drama, tracking how enslaved and colonized people transformed history itself.

SERIES SNAPSHOT

Genre: War / Historical Drama / Action

Format: 10 x 60 minutes

Tone: Prestige, visceral, emotionally charged

Audience: Adult and YA global drama audiences

Why it stands out

- **A world-changing true story**
The only successful slave revolt in history becomes a global-scale drama with built-in urgency, stakes, and meaning.
- **Prestige scope, human intimacy**
Grand battles, revolution, diplomacy, and romance sit alongside the emotional cost of leadership and freedom.
- **A fresh sonic identity**
Contemporary music woven into a period epic creates a distinctive, modern bridge between past and present.

GRAND DESIGN

A premium global event series about revolution, nation-building, and the price of freedom.
