Dear Parent,

This is to welcome your child to the next academic session. Last year has been a very challenging one. However, in spite of uncertain and trying times we have been able to provide quality education by successfully conducting online classes along with activities and competitions for our dear students thus building upon the trust and faith of our parents in us. Record number of appreciation letters received from parents says it all.

Keeping in mind the spread of COVID-19 again and safety of our dear children, we have decided to get registered again with GOOGLE for GOOGLE CLASSROOM and conduct online classes from **April 06, 2021** on this world class platform till the situation gets back to normal.

Hon'ble Supreme Court of India has passed some interim directions to schools and parents regarding the school fee payment for the last academic session 2020-2021 and for the new session 2021-2022.

As regards academic year 2020-21, the Hon'ble Supreme Court expects parents to pay full fee equivalent to the fee notified by the school for the year 2019-20. However, the school had announced during 2020-21 that it would not be charging annual / other charges and would be collecting tuition fee only and that too at 2019-20 rates. In this regard, we shall like to clarify that we shall stand by our commitment and would not be recovering the Annual Charges from parents which have actually become due under the latest judgement of Hon'ble Supreme Court.

As regards academic year 2021-22, the Hon'ble Supreme Court requires parents to pay fee as and when it becomes due and as notified by the school. The fee for the Academic year 2021-22 stands notified on the School Website since December 1, 2020. However, the school has decided to go an extra mile to support parents and allow them some more time to settle down during these difficult times and give them some relief by

- charging 50 % of Other Charges **till the reopening of school** in spite of Hon'ble Court's permission to charge the full amount.
- charging Other Charges on monthly basis.
- extending last date of fee payment without fine from 10th of every month to 15th of every month. Late fee fine would be charged as per rules.

The School Mobile App for the new academic session will become operational from **April 02**.

Thanking you and wishing you and your dear ones a safe and happy life.
