

Good morning, respected Director Sir, esteemed teachers and my beloved fellow students.

Today, as I stand here with a heart full of gratitude and bittersweet emotions, I have got this profound privilege to stand before you one last time and share my heartfelt words on this special farewell occasion.

Manav mangal has always been more than just a school. It is a sanctuary of learning, a hub of innovation, and a temple of values. What makes its legacy extraordinary is the visionary leadership of our Director Sir, whose motto—"Stop not till the goal is reached"—has been the driving force behind every milestone achieved.

Director Sir's vision of "education for all" coupled with innovation has always aimed at enhancing our learning experience. He has built this institution on the values of inclusivity, integrity, and perseverance, ensuring that Manav mangal remains a space where every child thrives. He reminds us that education is not just about textbooks; it is about building character, igniting curiosity, and instilling the drive to keep moving forward.

To the guiding lights who shaped our minds and nurtured our spirits, whose wisdom and kindness will forever illuminate our paths – Teachers. Teachers, who treated us like their own children, thank you for creating in us a strong foundation of ethics and principles and for creating in us the passion for learning. Your long hours into guiding students, motivating them and providing feedback are intangible.

Lastly, my unforgettable class of 2024 – thank you for being the reason that I came to school every single day and for making me unfailingly proud every single day. Thank you for putting aside your differences to celebrate each other's success regardless of whether you achieved what you wanted to and reassuring each other when things didn't work out. It excites me unimaginably to think that a few years from now I will have an engineer, a lawyer, a CA and a doctor just a phone call away. You have been my entire world for 12 years and now the entire world awaits you.

As I conclude, I leave with the words that embody Manav mangal's spirit: "Stop not till the goal is reached." This is not just a motto; it is a mantra for life. Wherever life takes us, we will carry this torch, making our alma mater proud.

Regardless of how long we have called Manav Mangal our home, we'll all leave with the same values of respect and determination. Thank you, Manav mangal, for shaping me into who I am today. Farewell, but not goodbye—for the values instilled in us here will always keep us connected.

“Rasta manzil ka dikhane wala Ek who khoobsurat safar tha
Koi aur naam mat dena usey vo doosra mera ghar tha.
Wo har baar ki tarah kaise mana kar diya karte he mummy ko ki school nahi jana
Par phir ek waqt aisa aaya ja sab ulta ho gaya
Ab ghar pe rehna boring lagta tha aur school jaane ka maza hi kuch aur tha.
Teachers ke saath chor police khel to lete the par jab punishment milne par ghar
tak phone na jaaye bas isi baat ka darr tha.
Ek lunch mein 8-8 haath hua karte the, hum dost saare saath hua karte the
Dosti- yaari ka matlab bhi seekha idhar, isey school kehlo ya kehlo ghar.

Thank you Manav Mangal!
