Every year, it is celebrated on 26th January as a national festival all over India with great enthusiasm and fervor. The day marks India as a truly independent and sovereign, socialist, secular democratic Republic. This year we are celebrating our 74th Republic Day. Dr. Bhim Rao Ambedkar is known as the 'Father of the Constitution of India'

On this day the constitution of India came into effect which was adopted by the Indian Constituent assembly on 26th November 1949. Every year, on this day our President unfurls the National Flag at Rajpath, which is followed by a big parade showcasing the diversity and defense power of India. Tableaus of different states showcase the progress and culture of our country. Brave soldiers and people who dis some act of bravery are awarded by the President on this day.

So, on this Republic Day, let us all pledge to respect our constitution, our freedom fighters and above all to live in unity and peace.
