MMSS/ 2021-22/ 020/ April 25, 2021

Dear Parent,

In Feb. 2021, things had started getting back to normal and the schools were expected to open soon. As a result, parents from April 2021 were required to pay tuition fee plus 50 % of Other Charges/ Annual Charges till the reopening of schools. **In other words, 50 % of these charges were waived off** in spite of Hon'ble Supreme Courts's permission to charge fee as notified for the session 2021-22.

Unfortunately, there is again a sudden surge of Covid in the form of second wave. The situation around that was returning to normal has turned abnormal again. Keeping in mind the changed scenario, manav mangal has decided to walk an extra mile and has chosen to provide some more relief to the parents.

**Under the revised arrangement, Other Charges / Annual Charges are being waived off completely and the parents are required to pay ONLY Tuition fee as notified for 2021-22 till the schools reopen.**

Since most of the parents have already paid the April fee along with Other Charges, we shall be making adjustments of the amount paid in excess in the Tuition fee payable for the month of May.

Thanking you and wishing you a safe and happy life.

Director
