

They say the journey of a thousand miles begins with a single step. But today, I think it begins with a final wave, endless memories, and the sweet scent of nostalgia in the air!

Good Afternoon Respected Director Sir, Principal Ma'am, Vice Principal Ma'am, teachers and of course, my fellow friends.

As I, Kanika Singla, stand here, it feels like just yesterday when we walked into this institution with great dreams in our hearts and now, here we are, ready to say goodbye. But as we prepare to leave, I can't help but feel a sense of profound gratitude towards Manav Mangal Smart School that has shaped us into who we are.

I would also like to take a moment to thank the captain of this extraordinary ship, our Director Sir whose vision and leadership have proved to be the guiding light for all of us. Having the opportunity to personally interact with Sir, I understood that your approach to leadership goes beyond just overseeing academics — it's about ensuring that every student finds their path, nurtures their talents, and grows into a responsible global citizen.

To our teachers, thank you for putting up with us and shaping us into better humans. And to my friends, thank you for being someone I never knew I needed.

As we prepare to step out into the world, let's carry with us the lessons we've learnt here —not just from textbooks but from the relationships we've built, the challenges we've overcome, and the values we've imbibed.

This isn't a goodbye—it's simply a see you later because while the paths we take might diverge, the memories and lessons of this school will always keep us connected. So let's bid farewell with a smile, knowing that the best is yet to come.

ThankYou

Kanika Singla (X A)
