### **Start of journey : 1968**

By the close of session 2023-24, manav mangal completes 56 years of its journey of fairly steady growth in size and stature. During this journey, manav mangal has stood the test of time, has built a fair name and has established itself as an institution worthy of trust.

### **First step forward**

manav mangal Chandigarh started working during 1968. It was in its silver jubilee year 1993 that manav mangal at Panchkula started serving after being inaugurated by the then Chief Minister, Haryana.

### **A significant step to take education to Level Next**

On having achieved big at Chandigarh and Panchkula, manav mangal chose to expand its area of service to Mohali. Not only that : manav mangal dared to be different, decided to take education to Level Next, decided to turn HI-TECH : turn SMART and as a result came up Region's first TechSmart School in April 2007 in the form of

#### **manav mangal SMART SCHOOL**

**SECTOR 64, SAS NAGAR**

manav mangal's Smart School Program at SAS Nagar was an instant hit. A loud and clear message went across that Smart Learning was the basic need of today's education rather than an educational luxury. With this rose a pressing demand at our Chandigarh and Panchkula schools to bring in Smart Classrooms there also.

The call was respected and Smart Classrooms brought in place of Traditional ones at both the places w.e.f. April 2011.

To create awareness about the introduced change, a subordinate addition in the form of SMART LEARNERS WORLD was made to the respective names of the two schools.

### **Another step ahead**

manav mangal as a well-known daring doer took the lead once again by presenting Region's First SMART & GREEN SCHOOL from April 2016 under the name

#### **manav mangal SMART WORLD®**

**NAGLA, ZIRAKPUR**

## Delivering Benefit of Smart Learning to many more

During its Golden Jubilee Year 2018, manav mangal took another step ahead and opened an air-conditioned, TechSmart Junior School in Sector 91, SAS Nagar under the name **manav mangal SMART SCHOOL (Junior)** which by now has proved its worth and won the hearts of parents.

Now in keeping with the spirit of its motto 'Stop not till the goal is reached', manav mangal has chosen to move on to give you one more project – its sixth one i.e. another Smart School (Pre-School to X) in a very well-planned Sector 88 of SAS Nagar (Mohali) for and from the academic session 2024-25. This upcoming Smart School, undoubtedly, is going to make a name for having taken the lead in introducing SMART INDOOR SPORTS and SMART INDOOR ACTIVITIES in place of commonly played Indoor Sports and Indoor Activities. It reminds us the way manav mangal SMART SCHOOL Sector 64 attracted public attention in no time for having introduced the TechSmart Classroom Learning in place of traditional Classroom learning during 2007 and manav mangal SMART WORLD, Zirakpur for having introduced the Green School Building concept in place of the traditional one during 2016. In other words this manav mangal SMART SCHOOL - 88 has sufficient ground to stand out as a centre of stress-free education and healthy environment by providing certain uncommon facilities and features such as :

- a) TechSmart Classroom Learning
- b) Smart Indoor Sports & Smart Indoor Activities
- c) Green School Building enjoying IGBC's i.e. Indian Green Building Council's Platinum (highest) rating
- d) Treated fresh air ducts in classrooms : Best in class 3 M water filtration system and so on

## ..... a highly satisfying journey so far

manav mangal's journey so far has been really satisfying. The kind of trust reposed by the parents in the honesty of manav mangal's effort at every step of its journey has been highly inspiring and heart-warming. The growth story of the SMART SCHOOL at Mohali after its inauguration on February 10, 2007 by the then Hon'ble Governor of Punjab and the growth story of SMART WORLD at Zirakpur after its inauguration on March 5, 2016 by the then Hon'ble Education Minister, Punjab say it all.

## A promising journey ahead .....

With its proud past as its inspiration, manav mangal has a pretty long journey ahead. It has miles and miles to go. On journey with the same old passion to perform, manav mangal seems to be destined to do much more during the years to come.

**manav mangal's journey continues  
&  
so does its passion to perform**

## NAME : MOTTO : VALUES

The name manav mangal is a mission statement. manav mangal as the name suggests is an effort for the well being of all especially children without any consideration of caste, creed & colour. Institution's motto - 'Stop not till the goal is reached' suggests that this effort is to go non-stop.

'manav mangal' is not a mere name-tag. It is the courier of values of the institution it stands for. It represents the institution

- ☛ *where Quality Education comes First*
- ☛ *where every child is loved and cared for.*
- ☛ *where every child grows without any fear or favour.*
- ☛ *where recognition of merit encourages to dream big, to do big.*
- ☛ *where every child's inherent potential and inborn goodness are brought into play to make him tall in success and tall in human values.*
- ☛ *where institution's name and its secular environment inspires respect for all cultures and faiths.*
- ☛ *where teachers are more like models / guides / friends rather than trainers and instructors.*
- ☛ *where expectations of parents are respected and their opinions received with ever-open mind.*

manav mangal's strength lies in the dedication with which its teachers work. It stands out because of its proper use of New Age Technology to make education interesting and effective. It provides facilities that contribute to the wholesome growth of its students. These facilities are updated as and when necessary to keep the power of their utility alive.

Some of these **valuable facilities** which deserve a mention are :

- ◆ *Multimedia ready Classrooms with Interactive Touch Screen Board, Computer & Projector*
