GROWING IN AGE

GROWING IN STRENGTH

GROWING IN STATURE

start of journey : 1968

By the close of session 2022-23, manav mangal completes 55 years of its journey of fairly steady growth in size and stature. During this journey, manav mangal has stood the test of time, has built a fair name and has established itself as an institution worthy of trust.

first step forward

manav mangal Chandigarh started working during 1968. It was in its silver jubilee year 1993 that manav mangal at Panchkula started serving after being inaugurated by the then Chief Minister, Haryana.

a significant step to take education to Level Next

On having achieved big at Chandigarh and Panchkula, manav mangal chose to expand its area of service to Mohali. Not only that : manav mangal dared to be different, decided to take education to Level Next, decided to turn HI-TECH : turn SMART and as a result came up Region's first TechSmart School in April 2007 in the form of

manav mangal SMART SCHOOL

PHASE X, SAS NAGAR, (MOHALI)

manav mangal's Smart School Program at Mohali was an instant hit. A loud and clear message went across that Smart Learning was the basic need of today's education rather than an educational luxury. With this rose a pressing demand at our Chandigarh and Panchkula schools to bring in Smart Classrooms there also.

The call was respected and Smart Classrooms brought in place of Traditional ones at both the places w.e.f. April 2011.

To create awareness about the introduced change, a subordinate addition in the form of SMART LEARNERS WORLD was made to the respective names of the two schools.

another step ahead

manav mangal as a well-known daring doer took the lead once again by presenting Region's First TechSmart GREEN SCHOOL from April 2016 under the name

manav mangal SMART WORLD®

NAGLA, ZIRAKPUR

plan to deliver benefit of Smart Learning to many more

During its Golden Jubilee Year 2018, manav mangal has unfolded another plan to be of greater social utility. It has opened an air-conditioned, TechSmart Junior School in Sector 91, SAS Nagar under the name

manav mangal SMART SCHOOL

Junior

This Junior Branch - the 5th one will assist manav mangal SMART SCHOOL, Sector 64, SAS Nagar to deliver benefit of Smart Education to many more.

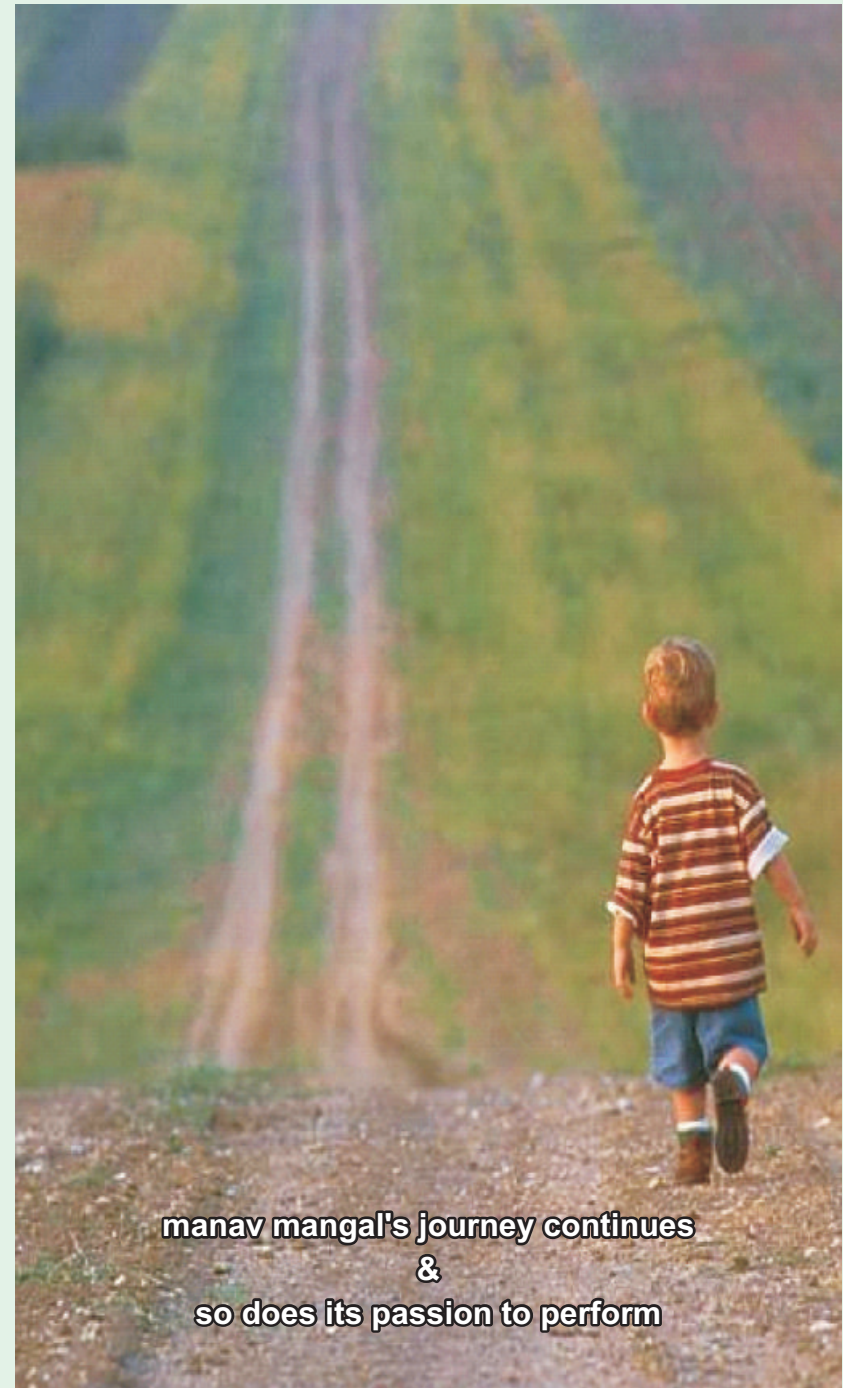

And now hold your breath, dear parents! In keeping with the spirit of its motto – 'Stop not till the goal is reached', manav mangal moves on to give shape to its 6th project – another Smart School (Nursery to X) in Mohali to meet the inability of its manav mangal Smart School, Phase X (Sector 64) to cope with the pressure of ever-growing demand of new admission-seekers for entry to this Region's First Smart School.

..... a highly satisfying journey so far

manav mangal's journey so far has been really satisfying. The kind of trust reposed in the honesty of manav mangal's effort by the people at every step of its journey has been highly inspiring and heart-warming. The growth story of the SMART SCHOOL at Mohali after its inauguration on February 10, 2007 by the then Hon'ble Governor of Punjab and the growth story of SMART WORLD at Zirakpur after its inauguration on March 5, 2016 by the then Hon'ble Education Minister, Punjab say it all.

a promising journey ahead

With its proud past as its inspiration, manav mangal has a pretty long journey ahead. It has miles and miles to go. On journey with the same old passion to perform, manav mangal seems to be destined to do much more during the years to come.

**manav mangal's journey continues
&
so does its passion to perform**
