

A message by Class VIII-C student on the occasion of Republic Day.

Freedom in minds,

Strength in words

Pride in heart

Memories in soul

Republic day celebrated every year on 26th January has gained special significance in the history of India. Every year, the national event is celebrated with lots of joy and festivities to make the event more colourful and memorable. Though we got independence on 15th august 1947 it took two and a half years of concerted efforts by our great leaders to make the constitution which came into effect on 26 January, 1950.

On this special day patriotic songs echoed everywhere as every child flutters a tiny national flag to mark the occasion. The republic day celebration are held in the national capital, New Delhi at the Rajpath before the president of India. On this day ceremonious parades take place at the Rajpath, which are performed as a tribute to India, its unity in diversity, and its rich cultural heritage. The colourful and beautiful tableaux are exhibited by every state which depicts their culture and heritage. This shows that how diverse and traditional India is.

No matter the challenges, hardship our constitutional committee left no stone unturned to include rights for all. It aimed to create a perfect balance so all citizens of the country could enjoy equal rights pertaining to their religion, culture, caste, creed and more. At last, they presented the official Indian constitution to the country on January 26, 1950.

This day is very important for India as it marks the birth of India as a Republic state.
