

# Progress Report September 2024

## Changing Futures Coproduction Service

Coproduction occurs when individuals with lived experience are involved in the design, delivery, and evaluation of services.

<p><b>Two additional peer support workers</b> started in the team to support those in temporary accommodation/rough sleeping</p>		<p>Since April 2024, we've delivered <b>two Introductory and one Intermediate</b> coproduction training to <b>23 different services in total</b></p>
<p>Won <b>Gold</b> for the <b>Lived Experience Chartership with Careers Matter</b></p>		<p><b>64%</b> of Co-production Associates have <b>co-facilitated and coproduced activities</b></p>
<p><b>3922</b> hours spent with individuals registered with the service</p>		<p><b>19 Organisations</b> supported with Coproduction Activity</p>

### This quarter we have co-designed:
