Coproduction occurs when individuals with lived experience are involved in the design, delivery, and evaluation of services

Received funding for two additional peer support workers to support those in temporary accommodation		Delivered 33 Coproduction training sessions this year and one Strategic Coproduction session for senior leaders
Won Bronze at the Insight Awards for 'Learning'		48% of Coproduction Associates co-facilitated and coproduced activities
3287 hours spent with individuals registered with the service		16 Organisations supported with Coproduction Activity this year

This quarter we have co-designed:

- Positive Activities Fund
- Peer Audit Scheme
- Women's Safety Survey

This quarter we have co-delivered:

- Positive Activities Fund
- Phase 2 of Peer Audits to one organisation and revisiting Phase 1 with another
- Community of Practice on Domestic Abuse and MD
- 'Coproduction for Beginners' training with 23 attendees across two sessions

This quarter we have co-evaluated:

- Positive Activities Fund
- Domestic Abuse Community Service tenders

This quarter our team and associates have been involved in:

- Providing evidence towards Career Matters Lived Experience Charter and the programme achieved a Gold award
- Sat with HRH Prince William at the Homewards Coalition meeting
- National Expert Citizens Group
- Acquired Brain Injury research group
- Combatting Drugs Partnership Board
- Presented at Homeless Link's annual conference and webinar, focussing on Coproduction
