CRUCIAL NOTES

- 1) **Can you vote online? No!** In federal elections in the U.S., you cannot vote online. [USAGov](#) . In most elections in the U.S., you need to vote either in person at an official polling place or by casting a mail-in (absentee) ballot.
- 2) **Register ASAP online!!! This is crucial – do it now! And mail in your ballot as soon as you get it!** Remember: Elections Commissions are overloaded and understaffed. Register to vote online ASAP, your state will send you a ballot that you will then either mail in ASAP or well before noon at the very latest on election day or, in states which do not allow mail-in voting, you will need to vote in person. Note: some states require voters to present a valid photo ID at the polls.
- 3) **Every vote counts!** Even if you don't live in a swing state, all votes are important!
- 4) **Register early, vote early, and MAKE SURE YOU ACCURATELY AND COMPLETELY FILL IN DATES, SIGNATURES, ADDRESSES, ETC.!**
