TETBURY CRICKET CLUB SPONSORSHIP 2024 / #attheheartofthecommunity

THE CLUB

Tetbury Cricket Club has a long and proud history dating back to 1850. One of the first clubs to be established in the county, the club has previously produced both county and England international players, and our upcoming season offers the opportunity to be one of the most exciting in the past century!

Last year saw a decade of hard work within the club beginning to deliver amazing results. Built on an inclusive community atmosphere and a diverse range of teams offering everyone the chance to participate in the great game that is cricket, we saw more training sessions, games and individuals playing cricket than in any other year of our history.

We go into the new season on the back of 2 promotions, 6 cup victories and 11 of our youth set up in the County set up...and we're hoping for even more success in 2024. None of this would have been possible without the generous support of our sponsors and donors and we're all very mindful of that.

A NEW TETBURY ERA!
