## President's Corner

Hi Folks,

I hope you had a fantastic holiday season and a very happy new year!!

As I write this the beat continues to go on with the fall run.

The fish are now starting to get smaller which means it's time to scale down the tackle, crush the barbs and handle with care, (even more than usual). I've had a blast with a 7' rod, VS 50 loaded with 10# test braid, and a pocket full of soft plastics with jig heads ranging from 1/2 to 1 oz.

I hope to get another few weeks or so in before hanging the bass gear up till March.

We will continue to have zoom meetings as a club with the next one being Wednesday night at 7:30pm.

We have made a point to practice putting folks in a waiting room so we can vote new members in

The club is now accepting dues for the 2021 calendar year, if you haven't done so please use the pay pal or mail in your dues at your earliest convenience.

We have a lot of club news to review this week so please make it if you can. I look forward to seeing everyone on this week's zoom!!!!

Stay safe!

John
