

18th Annual 2022 BSC Spring Striped Bass C&R Tournament

We recommend that participants write that number on an index card, laminated card or on the visible sections of devices used to measure fish while on a kayak (Hobie Hawg Trough, Frabill Expandable Bump Board, Yak Fish Stik, etc..) dark enough and large enough to show up in photographs. Due to the nature of measuring striped bass on a kayak, you may be asked to present your measurement tool for inspection.
