

JEWISH WORLD ORDER

GREATER ISRAEL

A False 'Peace and Safety'

by Luis B. Vega

www.PostScripts.org.

When the Sun had set and darkness had fallen, behold, a Smoking Firepot and a Flaming Torch appeared and passed between the halves of the carcasses. On that day the LORD made a Covenant with Abram, saying, 'To your Descendants I have given this Land— from the river of Egypt to the great River Euphrates'. -Genesis 15:17-18

The purpose of this study is to comment from a Biblical End Times perspective and interpretation, the various Geo-Political, Astronomical and Biblical Factors are heralding the coming 'Jewish World Order'. It is the 7 last years of the Tribulation Period that will converge and complete the Church Age in Heaven with the Rapture above and the Time of Jacob's Trouble for Israel and the World on Earth below.

According to the Bible, what is coming in the Last Days before Jesus returns is a New World Order. But this Order will no longer be Roman, British, or American but Jewish. The Bible foretells of a day where the world will unite as in the Days of Nimrod around a Tower of Power, i.e., the Tower of Babel. There will be 1 Language, 1 Vision, and 1 Purpose in an effort to control and masses, etc.

Presently, the current Pax is that of the American or the Pax Americana. The world is witnessing the decline of this Order and the rise of the subsequent one. Although many End Times students of the Bible would rather see the resurgence of the Pax Romana in the rise of Europe, it will. But it will be an iteration that is dominated and controlled from Jerusalem, eventually.

Consider that the Eastern 'Foot' of the Ancient Roman Empire stretched all the way to the Parthian or Persian Borders. This included what is now Turkey, Syria, Lebanon, Iraq, Jordan, Egypt and Israel. This is to say and suggest that the rise of Israel is eclipsed by its European 'Overlords', to this day as it was with Ancient Rome, the British and the American, etc. Consider that to the Muslims, they know that the rise of Israel has arrived.

What Israel showed the world in the 12 Day War with Iran is that a tiny nation can humble a great nation. It was almost Biblical in scope as Israel took on a King David or Lion aspiration and Iran was ascribed to it a Goliath Beast type of Nephilim Human Hybrid. Truly, this contention between the Son of Judah and the Sons of Elam is ancient and based on a Spiritual Warfare that is playing-out in the Last Days. The Days of Esther and Haman are not over just yet. Now, as the Pax Americana wanes, the juxtaposition for the New Jewish Order is shaping presently. How so?

Will the real AntiChrist please stand up?

To this end, this study will provide commentary of how that will look like, in one's Political Science and Eschatological interpretations. The study will be divided into 3 parts as it is a composite of research and writings specific to those topics and events that hopefully one will get a better appreciation of just how close the coming last 7-Years on Earth of human government will look like.

For context and to lay a framework for the study, some general terminology is in order concerning the ideals and aspiration of what is a 'Pax' and why Judaica? Pax is the Latin progenitor of the English word peace and may also be an ancestor of the Mishnaic Hebrew Piyus, which means 'Appeasement'. And this is the theme of this research. It is about Israel seeking 'Appeasement' with its Muslim Neighbors. She is war weary. What Israel has accomplished since 1945 is astonishing. But it is what exactly was to have occurred based on the Prophecy of Ezekiel 37.

It is the vision of the 'Valley of Dry Bones' where the Prophet Ezekiel sees a valley filled with Dry Bones representing Israel. It is commanded by GOD to prophesy to them, resulting in the bones coming together and being revived. This vision symbolizes the restoration of the people of Israel, representing hope and renewal after Exile. Or as many End Times students of the Bible, place the rebirth of Modern Israel after the Concentration Camps of Nazi Germany, etc. Consider that the Jewish People did achieve a 'Pax Judaica' in their history.

This was attained through the rulership of King Solomon or Shlomo HaMelech in Hebrew. In fact, the very name is a cognate of the Hebrew word for 'Peace' or Shalom. In Arabic it is pronounced Salam, etc. According to the Bible, YHVH bestowed King Solomon, the son of King David with wisdom, power and greatness because of his initial deposition and character. When Solomon was about to be crowned King of Israel, YHVH came to him in a dream. YHVH asked Solomon what he wished.

It is sort of the fairytales of Aladdin's Lamb in now there were but 3 wishes one could have. Astutely, Solomon did not ask for Women, Gold or Horses but to wish enough to govern YHVH People, Israel. Upon that response and heart's desire, YHVH bestowed not only Wisdom and Knowledge, but Women, Gold and Horses. This Pax Judaica is what the Religious Jews aspire to recreate and enter into, their Golden Age. However, from a purely Christian Evangelical interpretation of how it will go down, it will appear to be so, as promised.

But Jesus warned that as Israel rejected Him as the true Messiah of Israel, there would be one coming in 'His own Name' that the Sanhedrin would accept. And this false Jewish Messiah would trick Israel into a false Pax Judaica only for the purpose of destroying Israel. Why? As Jesus stated about Israel's Repentance and Redemption, He would not come back until they would look upon Jesus, etc. To this end, Lucifer's quest is to destroy every Jew alive so as to not be able to say, 'Blessed is he that comes in the Name of the LORD'. So, as to when the Pax Judaica is to be ushered in?

Return to the Golden Age

And who will this Solomon 2.0 be that will bestow Israel and the Middle East with 'Peace and Security?' The Muslim World does not overtly declare the following although they know it to be true in their Quranic Scriptures that the Pax Judaic is coming. At the very heart of the Quranic view is the destiny of the Temple, Jerusalem, and of the Holy Land. It is understood. But to the Muslim, this notion is anathema and they suffer from Cognitive Dissidence in that Islam is not the 'Chosen Religion' after all.

The Muslims who do understand their book must acknowledge that it declares that when the final count-down in the Last Age arrives, the Jews would be regathered from the Diaspora. But through the subsequent 'Pax' of the various World Orders to be ensued, what was once a People that were broken-up and dispersed. The Jews have been consigned to their Diaspora, worldwide for this time rejecting Jesus as their true Messiah. However, the Bible teaches that Israel would be brought back to the Holy Land as a 'mingled crowd' (Quran, Banu Israil, 17:104).

This has come to true as that is exactly what both the Old and New Testament teach. It is just a matter of time. And that Time or Pax has come. Why? Based on one's Christian Perspective, to a large part why the Pax American will have come to an abrupt end is due to the Rapture Event. It is the Rapture that will reset the world and be that catalyst that will forge the new Pax. And that Pax will be Judaica at the core. Consider that before the Pax Americana there was the Pax Britannica. This transfer occurred basically due to the ravages of World Wars in Europe. Since 1945, it has been the USA that has 'Kept the Peace' in the world, relatively speaking.

One of the expectations, although not written explicitly, is that such a World Power and Pax functions as the 'World Police'. It enacts controls and this has been done through its Military, Money and Medicine for the most part. But now, the world and especially the Muslims have sensed that the rise of Israel will be the next Pax implemented. And how they juxtapose to Israel will determine their place in the New Jewish World Order, etc. To that effort, many former enemies of Israel are now contemplating joining what is now called the Abraham Shield. What happened to the Abraham Accords? The 'Shield' is just the latest version or iteration of how the Accords is expanding.

This is the key to the Pax Judaica in that it is framing the Accord, even Geo-Politically. How so? Consider that the nations that are thinking of joining what is now the Abraham Accords is what constitutes the borders of 'Greater Israel'. So, Pax Judaica? Just like with the Pax Romana, the Pax Britannica and the Pax Americana, the Pax Judaica will initially provide political stability throughout the Middle East. But to the Religious Jews of Israel, London and New York, their Pax Judaica will not only completely dominate the Peace in the Middle East, but this Pax Judaica will provide Peace and Security for the entire Planet Earth. That is the difference and what is coming, according to the Bible, as one interprets it, etc. And here is where it gets conspiratorial or concerning. Let us start from the 'Base Line' in that the common denominator is that the Pax Judaica is a fact and will come to pass. It is written about in the Torah, the New Testament and the Quran.

PAX AMERICANA

Here is the definition of Pax Americana. It is Latin for 'American Peace', modeled after Pax Romana and Pax Britannica. It is often identified with the 'Long Peace'. It was a term applied to the concept of relative peace after the end of World War II in 1945. During this New Order, Pax Americana was a period of Western ascendancy that dominated International Politics. Also, having this 'Mantle' gave way to favoring Policies that benefited the America Order at the expense and lives of those subordinated to it.

PAX ROMANA

Here is the definition of what Pax Romana was. It is Latin for 'Roman peace'. It is a roughly 200-Year-Long Period of Ancient Rome. It was identified as a Golden Age of increased and sustained Roman imperialism. However, it produced prosperous stability, hegemonic power, regional expansion, and relative peace and order. However, it was plagued by internal revolts, civil wars and external wars, etc.

However, the differing perspectives of what it will eventually look like is subject to each interpretation of their respective Eschatology. To the Muslims, the war with Iran that started on Friday the 13th in June of 2025 was a dramatic push towards a Pax Judaica by the Religious Jews of Israel. The Muslims see this push toward Pax Judaica as Israel having a 3 Phase Master Plan. Pax Judaica is the 'last phase' of power for the AntiChrist to rule the world with. In Islamic Eschatology, it is said that Dajjal will be on Earth for 40 Days.

A Day like a Year, a Day is like a Month, a Day is like a Week, etc. The theory is that a Day is like a Year was when the British ruled the world during their Pax Britannica. Nonetheless, the Muslims and the Jews can see the 'Handwriting on the Wall', in that the Pax Americana is going to be replaced. The question is replace it with what? With Pax Judaica. Interestingly, the Muslims equate this Jewish 3-Phase Master Plan with the timeline of how there are 3 Phases of Dajjal or the Biblical AntiChrist that is to emerge from all this.

The Jews also clearly see that the USA is on a rapid decline and thus the stage of Pax Americana is about to finish. And from a New Testament point of view, it is taught that only after the Rapture Event will the AntiChrist be revealed or known. And this Person of Intrigue is the same person but everyone else's AntiChrist. The Muslims are trying to curb the Jewish ambition for ruling the world. And to them, that is why they call it the Pax Judaica.

The Pax Americana has exhausted its 'Shelf Life' and its enemies know it. According to Phillip Barnett's Ukraine Azovmena Prophecy, there is going to be a Nuclear War by November of 2025 that will involve the USA being hit. It would help to explain away the absence of the USA in the End Times. It would also corroborate the Deagel Report about how the USA stands to lose millions of People. Either it will or it will not turn out to be correct. But if you combine the number of those raptured out of the USA alone and then coupled with Nuclear detonations in the USA?

That would drastically reduce the overall population. And it would foster the need for the World Order to go from the Pax American since World War 2 to the new one, which will be the Pax Judaica. It also goes along with that Judi shared about how Europe is actively deciding to disengage from the USA and go its own way as BRICS is also actively de-Dollarizing the World Money Supply. It is only a matter of time, as they say.

Books

COVENANT WITH MANY

In the Bible, it teaches that in the End of Days, a World Leader will emerge that will 'Confirm a Covenant with the Many'. What is that 'Confirmation'? And who is the Many?
