

3RD TEMPLE STONES

BUILDING BLOCKS

Preparations for the Beit HaMikdash

In one's reporting about the 3rd Temple, it has been insinuated that the Temple can be constructed in a matter of weeks. This is because the Blocks or the Stones have been already fashioned or will be. Here below is a video of an interview where 1 of the Jewish Settlers living in Samaria is actually accomplishing this feat. The interview is somewhat dry but one will realize that it is not a mere rumor that the Jews are 'secretly' building the Temple in secret locations. Also, on July 9, 2025, a Red Heifer offering was practiced.

Now, it would appear that based on the interview, it is a 1-Man endeavor. One would highly doubt that as the Building Blocks have to be produced in large numbers. But the point is that Jew like the man being interviewed have mastered the Building Technique that is prescribed in the Bible. What is different about this effort is that there was a movement in the early 1990s that one remembers that attempted to set the Cornerstone of the 3rd Temple. It caused a riot with the Palestinians.

This movement was called the Temple Mount Faithful (נאמני הר הבית). It was based in Jerusalem, whose goal still is to rebuild the Third Jewish Temple on the Temple Mount in Jerusalem and re-institute the practice of ritual sacrifice once Israel comes under the Law of Moses. This is the 'Confirming of the Covenant', in one's estimation. The Movement was founded by former Israel Defense Forces officer and Middle Eastern Studies Lecturer Gershon Salomon. The group was established in 1967 soon after the 6-Day War.

But to the shock of most Religious Jews, at the time, Moshe Dayan gave back Admirative Rights to the King of Jordan. This has been the Status-Quo, but that is changing. Thanks to the efforts of the Security Minister, Ben-Gvir has given permission to Jews to pray, sing and dance on the Temple Mount. This is unprecedented, just like this present-day endeavor to cast the Stones that will be used to build the 3rd Temple. One remembers that back in October of 1990, it was when Gershon Salomon attempted to lay the Cornerstone for a 3rd Jewish Temple on the Temple Mount in Jerusalem.

Because it was not time, he was prohibited by the Israeli Supreme Court, these End Times are different. The issue was that prophetically, it was not the time. Now it is. Once the Rapture Reset occurs and the 'dust settles', one suspects that the schedule to build the 3rd Temple will be expedited. There will be no time to waste. And as a result, the 3rd Temple may not be that ornate, as previous Temples of YHWH were, i.e., Herod's Renovations, etc. Because of worldwide Anti-Semitism, the Jews are sensing a need to regather and do some soul-searching.

Confirming the Covenant

And at the core of the Jewish Identity is Moses. Sadly, it is not the New Covenant in the Blood of Jesus, their true Messiah. But that is why the 7-Year Tribulation Period will bring that out. It will be very painful and sorrowful for Israel to have to go through it. It will be a Trial by Fire as were the 3 Hebrew Companions of Daniel during the Fiery Furnace of Nebuchadnezzar, etc.

And for the Mosaic Covenant to be 'Confirmed', the Temple has to be in place in order to perform the Daily Sacrifices, etc. What started the Prophetic Countdown to Israel's Redemption, the Rapture and the 2nd coming of Jesus was when Israel was 'reborn' in 1 Day as Isaiah foretold. And that year, 1948 is a numerical coefficient of when one has calculated Israel was 'born' in 1 Night during the Exodus.

That year was -1448 BC when there was a Blood Moon on Nisan 15. This was also the case during Jesus' Crucifixion on Wednesday, April 14, 32 AD. And coincidentally, during the 2nd Passover in 2032, a Blood Moon will occur again. And? Well, 2000 Years or 2 Prophetic Days from 32 AD to 2032 AD is 2000 Years. Will this be the time and place where Jesus returns?

-1448 BC to 1948 AD Israel Correspondence

What one has noticed regarding the building of the Tabernacle of Moses to begin with and then later on the fixed Temples of YHWH is a pattern. Consider the sequence of how the entire complex was initiated by Moses. Then throughout Israel's History it appears to have alternated from the destruction of the fixed Temples to just the initial Altar of Sacrifice. And? time-frame of when Israel started to build the Altar of Sacrifice leading to the Tabernacle and Temples later. Here is the Pattern.

- | | | |
|---------------|-------|---------------------|
| 1. Moses | Peace | Tabernacle Compound |
| 2. Joshua | War | Altar |
| 3. Solomon | Peace | Temple Complex |
| 4. Ezra | War | Altar |
| 5. AntiChrist | Peace | Temple Complex |

If the Temple-Altar Pattern is valid and true, then what is next to occur and will correspond will be the building-up of the entire Temple Complex, not just an Altar. So, to that end, the Religious Jews have embarked on fashioning the Stones and Road Signs needed for the 3rd Temple.

The video does a good job of covering it and the other factors that are leading-up to the eventual construction of the 3rd Temple. In other videos, the Temple Institute along with other Agencies in Israel are also embarking on building a Lift or Elevator to get Jews on top of the Temple Platform.

Ashes of the Red Heifer

These efforts by the Religious Jews that are preparing the actual Stones for the coming Temple are amazing to witness in these Last Days. And? From the perspective of the Church, it is signaling, literally just how close the end of the Church Age is. And what will conclude the Commission of the Church given by Jesus will be the Resurrection-Rapture Event. This coming Rapture Reset will then facilitate and accelerate the building efforts.

Until then, it is subtle as perhaps Israel wants to keep this effort by the Religious Jews from really going viral or mainstream, as that would cause more strife with the Palestinians. Historically an attempt to rebuild the Temple in the 3rd century occurred in the time of Julian the Apostate. The project ended, so reports at the time claimed, because the site was experiencing repeated tremors and outbreaks of fire. This may have led to the rabbinic suggestion that YHVH Himself will build the 3rd Temple.
