*A Turning Point in the Coming Gog-Magog War?*

Militarily Speaking, it is well understood that the Weapons of a current War are only being utilized to perfect them for the Subsequent War to come. According to the Bible, due to the Fall of Humanity and its Luciferian Sin Nature, War will occur and exist right down to the very Day Jesus returns to Earth. It is foretold in Zechariah and Revelation that Jesus will touch-down on the very same Spot He ascended to Heaven from. That is the Pinnacle of the Mount of Olives. Presently, this Spot is enshrined by the Chapel, enclosed within a Mosque called the Dome of the Ascension, etc.

But on that very Day that Jesus' Foot touches down on Earth, it is to defeat the Armies of Lucifer's AntiChrist that have surrounded Jerusalem. And even despite this Defeat of Lucifer, for the Time Being, 1000 Years later after the Millennial Kingdom concludes, Lucifer will be let loose for a 'Little Season'. This is the proper Context and Timing of when that occurs. The Purpose is for how a whole multitude of People living in a Resorted Eden will rather choose to rebel and side with Lucifer to once again, attempt to overthrow GOD, Jesus to repossess the Temple, Jerusalem, Israel, the Earth and the Universe.

It will fail as Jesus will call Fire down from Heaven and all are consumed. This will be the Place and Time where Lucifer is finally cast into the Lake of Fire with all those Humans that refused to bow the Knee to the Righteous King of the Universe, Jesus. So, presently, the World is adapting and transitioning to a Drone World War, where this Art of War is being perfected. And with the aid of A.I., Artificial Intelligence, the degree of Destruction and Killing has become very Strategic. Due to the senseless Carenage of a senseless War, both in the Ukraine and Russia, the Saying is now, 'There are no more Men'. But one's Point is that what the Ukrainians pulled-off, Militarily is for the History Books. It was said to have been planned for 18 Months (6-6-6).

Allow me to chime-in with some Pieces of Information. Just the Day before the June 1, 2025 Ukrainian Drone Attack on the Russian Air Bases, while watching some YouTube Shorts, a very Odd and Unusual Short came across one's Scrolling. It was of the International Incident, that to some was the Catalyst for the Down-Fall of the Soviet Union. It brought Flashbacks to the Cold War and one pondered, something like this is going to happen again. Predictive Programming perhaps? If some are old enough to remember, the Incident was of a young West German Teenager, at the Time who flew his Plane into the Heart of the USSR, undetected. Here is the Backstory. In 1987, a 19-Year Old West German Teenager Mathias Rust shocked the World by flying through Soviet Air Defenses to land his Cessna Plane in the Heart of Red Square in Moscow.

## **Sneak Infiltration**

He was jailed for more than 1 Year for that Stunt that undermined the entire Soviet Union Military Structure. He flew more than 500 Miles (750 KM) with the Idea having come to him a Year earlier while he was watching TV at his Parents' Home where he lived in Hamburg, West Germany. His Rationale was that, during the height of the Cold War, a Peace Summit between the U.S., and USSR Presidents in Reykjavik, Iceland had ended in a Stalemate. The West German Teenager, who was an aspiring Political Scientist, felt he wanted to do something to make a difference to end the Cold War.

It was to a large part, because West and East Germany were right in the Middle of the Cold War, literally with the Berlin Wall between them. As a result of his Daring Action, he is attributed by some, to have caused the start of the eventual fall of the Berlin Wall in 1989 and the USSR in 1991. On June 1, 2025, in a similar Sneak Infiltration, dealing with the Sneak Drone Attack of the Ukrainians is how it also occurred in the Destruction of the Russian Bombers at various Air Bases deep within Russia. And guess what the U.S.-NATO Call Sign is for these Russian Bombers? Bears, the Russian 'Flying' Bears.

The Russian Bear Bombers refer to the Tupolev Tu-95, a large, 4-Engine Turboprop Strategic Bomber designed for Long-Range Missions, including Nuclear Capabilities. They were 1st flown in 1952 and entered service in 1956. These 'Bears in the Air' remain a Key Part of Russia's Military Aviation. They are expected to serve until at least 2040. Well, not any more, at least 40 of them as reported. The other Russian Bombers hit were the more modern Tupolev Tu-22M (Russian: Ту-22М; NATO Reporting Name: Backfire). It is a Supersonic, Variable-Sweep Wing, Long-Range Strategic and Maritime Strike Bomber developed in the 1960s.

What the World may not realize, is that in terms of Military Logistics and Scope of Operations, this Drone Attack was Extraordinary. It is or will be Turning Point in the War? The Ukraine massive Drone Strike on Air Bases deep inside Russia was called Operation 'Spiderweb'. It came on the Eve of expected Peace Talks in Istanbul between Russia and Ukraine. Perhaps this was an intentional Sabotage to those Peace Talks as the War-Hungry Luciferians want War and Humans dead. It was a Simultaneous Strike on Russian Air Bases carried out by Ukraine since the War began in 2022.

According to Preliminary Reports, the Ukrainian Intelligence Agents managed to work for Months inside Russia under the nose of the Russian FSB Domestic Security Service. Based on one's Military Experience, it means that they had help from Russian Assets that were Anti-Putin. It was reported that Ukrainians launched 117 Attack Drones from Trucks that have been modified to have their Tops carry and hide the Drones and from there they were launched from, once uncovered. The Trucks were covertly placed near Russian Air Bases. More than 40 Aircraft were known to have been hit, mainly targeting Russia's Strategic Bombers and remaining Surveillance Planes.

- 1) Tu-95
- 2) Tu-22M3
- 3) A-50

## **A Nuclear Response?**

According to the Russians, the Damages hit about 34% of their Strategic Cruise Missile Carriers Force. It is based on a Triad of Submarine, Land and Air Assets to deliver a Nuclear Response, etc. There were 5 confirmed Air Bases that were attacked, as far as Siberia and Murmansk, which is astonishing. Militarily, this successful Ukrainian Long-Range Operation undoubtedly will go down as 1 for the History Books. It was reported that Russian Nuclear Subs were also targeted and hit. The Russian Air Bases that targeted Ukraine included the following.

---

### **1) BELAYA BASE**

*In Irkutsk, some 4,500 Kilometers (2,800 Miles) from Ukraine's Border with Russia.*

### **2) DYAGILEVO BASE**

*In Ryazan in western Russia, about 520 Kilometers (320 Miles) from Ukraine, which is a Training Center for Russia's Strategic Bomber Force.*

### **3) OLENYA BASE**

*Near Murmansk in the Arctic Circle, more than 2,000 Kilometers (1,200 Miles) from Ukraine.*

### **4) IVANOVO BASE**

*It is more than 800 Kilometers (500 Miles) from Ukraine. Ivanovo is a Base for Russian Military Transport Aircraft.*

So, the West German Teenager flew his D-ECJB Cessna, now at the German Museum of Technology in Berlin, at Tree-Top Level to avoid the Soviet Air Defense and when his Plane was picked-up, it was dismissed as 'Interference', etc. Well, the Young West German managed to avoid, supposedly the most sophisticated Soviet Air Defense in the World and landed right in the middle of Red Square in Moscow. You can imagine what the reaction of the Soviets was. And the Soviet Premier, at the Time was Mikhail Gorbachev.

Mikhail Sergeyevich Gorbachev was a Soviet and Russian Politician who served as the Last Leader of the Soviet Union from 1985 to the USSR's Dissolution in 1991. Gorbachev was the Reformer that wanted to change the Course of the Soviet Union as its People were literally starving and bankrupt. This, one can attest 1st Hand as one was there in 1990 to eyewitness the Economic, Social, Mental and Spiritual Collapse and Plight of the People, etc.

What kept the Reforms from occurring were the Soviet Hardliners. Well, this International Incident with the Young West German, sneaking into the USSR was an International Embarrassment. But most notably, it gave Gorbachev the Impetus and Fortitude to fire the Hardliners to fully implement the Reforms within the crumbling USSR. But it was too late. The proverbial 'Handwriting on the Wall', the Berlin Wall was already written. The 'Cracks in the Wall', caused by 7 Decades of failed Socialism, was irreversible once the Common People got a Taste of what was called Perestroika.

## **Cracks in the Wall'**

Perestroika was a Political Reform Movement within the Communist Party of the Soviet Union during the late 1980s led by Gorbachev. So, the USSR collapsed in 1991. It took 4 Years from the Sneak Infiltration of the West German Teenager with his Plane to see his Results. It is a Prime Example of how just 1 Person can make a Difference in the World and change it.

As to any possible Prophetic Implications going-on here? Perhaps like Gorbachev, Putin has been given a 'Wait-Out' to Save Face and end the War with Ukraine. Why?

Biblically Speaking, if one holds to how Gog and Magog refers to 'Mother Russian' and its Satellite 'Bears', then it has to reverse and build-up for the Ezekiel War and Invasion of Israel during the 7-Year Tribulation Period.

Here is a Video, in the End Notes that basically summarizes the Incident back in 1987. It does a fairly good job in covering the Details. Yes, the World is quickly, like a Snowball Effect, spiraling into Chaos, as designed. What is occurring even now in the USA, in Europe, in the India-Pakistan Conflict, are only a Thread away from All-Out Anarchy, especially in all the Major Metropolitan Areas. In the USA, not even Trump can manage or control it. 'They', are not allowing him and those appointed to 'clean-up' the Swamp to do so, for example.

This is all designed to have Humanity plead for a World Leader, Currency, Identity System and Laws. And most importantly, a New World Religion whereby all this Fighting amongst the Jews, Muslims and Christians will subside and go away. Enter the 'Pure Religion' of Lucifer as Albert Pike, the Grand Master of the Masons predicted needed all this to happen. It is a Set-Up, in one's Estimation and it is coming to Pass. What one argues is that it will be the 'Rapture Reset' that will be that Catalyst or Trigger to have it all be initiated Post-Rapture.

It is all 'At the Door', as they say.
