The purpose of this study is to examine the Complimentary Partial Solar Eclipse of the Purim Blood Moon that occurred on March 14, 2025. The Complimentary Solar Eclipse of March 29, 2025 was a Partial Type as that is usually how Eclipses occur. There were several interesting Points that one noted, if perhaps they may have also contributed to the Theme of Purim. The following will be the basic Observations. The Solar Eclipse occurred in the 12th House of the Zodiac or Mazzaroth. It meant that it had reached its Full Cycle and thereafter the Astronomical Cycle began with Aries, the 1st House, etc.

In terms of the Theme of Purim, most who study the End Times or Eschatology were not sure how the Events on Earth would be attributed to the Blood Moon March 14, 2025, which was Purim. It is rather a Prophetic Dichotomy in that according to the Rabbinical Jews, the Sign of Blood Moons are a Bad Omen for Israel. Yet, the Theme of Purim is how the Jews, instead of being slaughtered in the Days of Esther, executed Retribution on such Enemies that conspired against them instead.

Purim comes from the Word for the Die as in that is how the Persian, led by Haman 'Cast the Die' to determine the Day all the Jews in the Persian Empire were to be murdered. So, fast-forward for 2025, the outcome was a similar 'Execution' in how Israel attacked Strategic Sites deep inside Syria and Lebanon. Then the USA struck the Houthis in Yemen that have harassed the Shipping Lanes for Years and have attacked Israel, under the directions and blessing of Iran or Ancient Persia.

Now what was particularly interesting about the Partial Solar Eclipse of March 29, 2025 was that it was on Nisan 1, or the Head of the Religious Year. And? Well, it matched the other Partial Solar Eclipse of September 21, 2025. It happened to be on the 1st Day of the Civil Year, Tishrei 1. Coincidence? No. Note also that this Jewish Year-to-Year Correspondence occurred in 2024. In that case, April 8, 2024 was the last of the 3 Great American Solar Eclipses. And if one considers how some Bible Students had proposed that April 8, 2025 was the Start of the Tribulation Period, well, that was an exact 1 Year Anniversary.

April 8, 2024 Great American Solar Eclipse + 365 Days = April 8, 2025

What was also very interesting, was where the Eclipse occurs in respect to the Earth. In the case of the March 29 partial Solar Eclipse, it traversed the entire length of Greenland. And? The Topic of Greenland has been in the News ever since President Trump insinuated that Greenland should be the 51st State of the American union, etc.

The Last Hour

In part, it is due to Greenland's Natural Resources but also for Strategic Defense against Russia, primarily. The Issue has gotten so much traction that the Greenlanders have voted in record numbers, as never seen before to determine their own Destiny. In that respect, so what of the Solar and Lunar Eclipses for 2025, in terms of the Rapture's Timing that will conclude the Church Age? What was interesting was that the 4 Total Eclipses for 2025 occurred in the 'Signs' or the Motifs that the Christian Church is associated with, Virgo, Leo, and Pisces. The Virgo-Leo Connection echoes the Revelation 12 Sign, in one's Opinion. Here are the Delineation of each Eclipse occurring in their respective Astronomical Sign.

Well, if the Year 2025 is the 'Final Year' of the Church Age, and one is adamant about a July 23 Timing, then these Pair of Lunar and Solar Eclipse will be the 'Last' Blood Moon and Solar Eclipse one will ever see on this Side of the Rapture. Imagine that. So, if the Rapture occurs on the 'Infamous' Summer July 23 Date? Then its accompanying Solar Eclipse on March 29 will be the last Solar Eclipse one will ever experience.

Of course, this also depends on what part of the Globe one is on to even be able to see them, assuming a Globe Model. But what was rather amusing to consider was where that possible 'Last Solar Eclipse' occurs Astronomically. It will be in Pisces, much like the last 7th Planetary Alignment that occurred on the Last Day of February 2025. Here are the 3 Major Signs and their Prophetic Meaning.

PISCES:

The Fishes of Him that Cometh.

PEGASUS:

The Blessing Quickly Coming.

ANDROMEDA:

The Redeemed in the Bondage and Affliction

Notice how the Sun then highlights the Sign of the Fish, which is the 12 House as in the 12th Hour that has been reached, perhaps. It ties into the 7-Planet Alignment that occurred in Aquarius, the 11th House or the 11th Hour that one suggested is being signaled in terms of 'Prophetic Time', etc. So, is that not what many are conjecturing of how, at the Time of the Rapture, this Sign is signaling just that, that the 12th Hour, the Midnight Hour is when the Shout is to occur that calls the Bride Home? Here below is a Chart showing how the Depiction portrays the Rapture Typology, Astronomically in one's Opinion.
