

ISRAEL - THE FIG TREE GENERATION

A CHIASTIC PATTERN OF A 7 AND 70 YEARS

Why the 1948 to 2032 Countdown should start from 1955

The following is a study that strongly suggests that the 70-Year countdown to the fulfillment of the Prophetic Fig Tree Generation for Israel ought to begin in 1955 and not 1948. Why? One will present the rationale that just as Israel, once having crossed into the Promised Land, led by Joshua in -1408 BC had to wait 7 Years before they could plant and harvest a crop. This was due to the war waged against the Inhabitants of the Promised Land that YHVH used Israel to evict them due to their Sins and Abominations.

So too is there a 7-Year 'furlough', one is convinced that mimics this Pattern. Thus, the Year Count from 1948 when Modern Israel re-entered the Promised Land had to wait 7 Years, likewise That is the Pattern and one's rationale to then apply the 70-Year Countdown to Israel's Redemption and the Return of Jesus. What one is suggesting, based on the 7-Year and 70-Year pattern, is that the end of the Church Age will coincide with this 70th Year, being 2025. Perhaps.

1948 + 7 Years = 1955 + 70 Years = 2025 + 7 Years = 2032

This is the apparent Chiastic Pattern that one sees and thus wishes to highlight. If the Chiastic Pattern is valid and it turns out to be true, then by the Fall of 2025, the end of the Church Age will have concluded. And thereafter within a gap of only a few months, the 7-Year Tribulation will start. This is one's working theory. What would be or will be the case is that the last 7 Years to conclude the Church Age will be completed in Heaven due to the Rapture.

And in tandem, the 7 Years corresponding to Daniel's 70th Week will be also occurring at this time on Earth. Back when Israel crossed into the Promised Land, it was at the 7th Year or 1 Sabbath, i.e., a Shemitah that the Sabbaths of the Land started to be counted. And it was for which YHVH judged Israel for not keeping and exiled Israel to Babylon for, etc. So, for YHVH to finally deal with Israel's Unbelief, the Bride of Christ has to be taken out of the way, i.e., the Rapture.

Thus, one surmises that this is how the Church Age is to end in terms of its Timing. Thus, to reiterate, one's Fig Tree Generation Theory stipulates that the 70 Year Countdown to Jesus' Return is not from 1948 but rather from 1955. Why? As noted, it was only after 7 Years that Israel had 'Peace and Security' and could thereafter plant and start the Sabbaths of the Land Count. Likewise, once the Bride of Christ is raptured, Israel will make that 'Dea with the Devil' to be secured 'Peace and Safety', etc. And when will the Rapture then occur? What Year?

Rapture Redemption

Based on the Chiastic Pattern presented of a 7 Year and a 70 Year count, the Rapture Year could occur in 2025. As one may know, one believes that the Acts 2 Pentecost coincided with the Feast of New Wine. It is not the Jewish Shavuot of the Wheat. But as the Spirit came down then, it will go up now in the transformation and glorification of the Body.

This Date is July 23. This is the End of the Summer Wheat Harvest. Consider the Boaz-Ruth Typology in how Boaz married Ruth on the end of Harvest Day, etc. Here is 1 of 2 suggested Tribulation Period Timelines. It depends if one starts on October 13, which is the end of the Dual Jewish Minor Feasts of Shemini Atzeret and Simchat Torah, etc.

TRIBULATION PERIOD SCENARIO 1

If from October 18, 2025 Sabbath of Beginnings

+ 1260 Days

= March 31/April 1, 2029 Passover

+ 1260 Days

= September 11, 2032 that falls on the Sabbath of Return.

TRIBULATION PERIOD SCENARIO 2

If from October 13, 2025 = End of Simchat Torah

+ 1260 Days

= March 26, 2029 Nisan 10

+ 1260 Days

= September 6, 2032 that falls on Yom Teruah (Feasts of Trumpets)

One's Rapture Theory is that after the Rapture Event of July 23, the conditions will be that the AntiChrist whom the Religious Jews will accept and crown as Messiah will be dedicating the 3rd Temple on October 15, 2025. Why? This is Tishrei 23 (723) and Simchat Torah. This is when Moses, Joshua, Solomon, and Ezra all reiterated the Law or the Covenant. This is what will be 'Confirmed'.

Israel seeks to come under the Law and it will, but it leads to Death as they make a Pact with Death, etc. Consider the occasion for the Jews observing Simchat Torah. So, in researching some Day Counts for 2025 it is known that the Day that the Law of Moses is to be read or 'Confirmed' is on October 16, 2025. And? This is exactly 88 Days from the July 23, 2025 Rapture Timing, speculative. July 23, 2025 to Sabbath of Beginning = 88 Days (With End Date included)

Torah Reading on this Day

The Day after is when the Parashat Noach is then Read based on a New Yearly Cycle of where one starts reading from the Torah. It starts out with the Flood of Noah and why the World was judged. It was because of the Nephilim Human Hybridization occurring with the Fallen Angels. The other factor was how the Fallen Angels diffused Nephilim Technology, like A.I.. Then lastly how the Torah Portion concludes with the Tower of Babel that in one's estimation, the 3rd Temple will serve to unite the World around as well during the Tribulation Period.

Here is the Torah Portion for when the Jews commemorate the 'Confirming of the Covenant', the Mosaic one. They read [Genesis 6:9-11:32](#). It is when Noah (Noah) begins as GOD decides to destroy Mankind with a Flood. At GOD'S command, the Righteous Noah builds an Ark, where Noah, his family, and select animals survive the Flood. Noah's children bear children, and several generations develop. GOD confounds the speech of People building the Tower of Babel. So, this Sabbath of Beginnings in the Hebrew Year is Tishrei 23 or '723'.

October 15, 2025 = 23rd of Tishrei, 5786

Parashat Bereshit

Simchat Torah in the Diaspora

Simchat Torah in 2025 will begin at sundown on October 14 and end at nightfall on October 15. This Holiday celebrates the conclusion of the annual cycle of Torah Readings and the beginning of a new cycle.

October 16, 2025 = 24th of Tishrei, 5786

כ"ד בתשרי תשפ"ו

Parashat Bereshit

The Sabbath of Beginnings on October 18, 2025 is known as Parashat Bereshit, which is the 1st weekly Torah portion in the Jewish cycle of Torah reading. It marks the start of the annual cycle, focusing on the creation of the world as described in Genesis.

Will that Torah reading then actually coincide when the Biblical AntiChrist or the false Jewish Messiah reads the Law before an Israel congregates for this occasion as it was with Moses who read them the Law before the Death? And then the 'Confirming' was commemorated by Joshua at Shechem, then King Solomon in the Dedication of the 1st Temple.

Thereafter it was then Ezra that 'Confirmed Covenant' with the dedication of the 2nd Temple, etc. It stands to reason that the 3rd Temple will likewise be accompanying its dedication with the reading of the Law of Moses to be then reinstated or 'Confirmed with the Many'. In this case, the 'Many' are the L'Rabbim, the Elders of Zion, the 70, the Sanhedrin, etc.

The Tribulation Period

This is when the Tribulation Period commences the 2 halves of the 1260 Day Counts. And this is why one has proposed the 7-Year or Sabbath Count from 1948 to synchronize the Events of the End Times. Naturally the rationale was that a Year Count of 70 Years per Psalm 90 was in order to start from 1948. It is in the sense that the Countdown to Israel's Road to Redemption commenced, in one's interpretation.

But that calculus from that Year has now come-and-gone, as 2018 was Modern Israel's 70th Anniversary. And even if one applied the 80 Year Count in having maximum strength, that only brings one to the year 2028. But even this would be interesting as it is at the end or the beginning of the Year 2029. And as noted, that would be the Mid-Point of the 7-Year Tribulation based on one's Fall 2025 to Fall 2032 Tribulation Period Timeline calculation.

Having to alternately start the Sabbaths of the Land Year Count rather from 1955 is one's Working Theory. It does appear to synchronize a lot of the Timelines. Considering this scenario, one often has to pinch oneself to think that this Year, 2025 could possibly be 'it'. One is not saying one has 'figured it all out' but it is amazing what the next month will reveal.

These main Theories of mine, about the 32 AD Crucifixion, the 7-Years from 1948 of waiting per the Joshua entering the Promised Land Typology and one's true Pentecost New Wine being correlated to the Timing of the Rapture of a July 23 Date will be put to the test, as they should. As one has mentioned to one's circle of Watchmen, it will either be 'Bliss, a Bomb, or a Bust'. Here below the endnotes is a Chart that attempts to visualize this 7-Year Time-Span from 1948 as in 1955 to have started the Sabbath Counts.

Nonetheless, the 7 Years after 1948 to start the 70 Year Countdown to the Return of Jesus, could be is or will be the fulfillment of the Israel being the Fig Tree and the Generation that saw it re-bud or be reborn in 1 Day appears to be a Chiastic Duality of a Pattern that is occurring in 2025. It will remain to be seen. This is of course, if 32 AD was indeed the Crucifixion Year. If not, then these Theories will all fall apart. But to think that the end of the Church Age has arrived is staggering. Is it too good to be true?

Naturally the rationale based on Church teaching is that a year count of 70 Years per Psalm 90 was in order to start from 1948, being Israel's Independence. It is in the sense that the Countdown to Israel's Road to Redemption commenced. This has been the prevailing interpretation. But that calculus from that year has now come-and-gone, as 2018 was Modern Israel's 70th Anniversary.

And even if one applied the 80 Year Count in having 'maximum strength', that only brings one to 2028. This is how then those skeptics that deny that Israel is the Fig Tree rejoiced. But not so fast. But even this would be interesting as it is at the end or the beginning of the Year 2029. And as noted, that would be the Mid-Point of the 7-Year Tribulation based on one's Fall 2025 to Fall 2032 Tribulation Period Timeline calculation.

In Summary

So, one's Theory is to have an alternative Start Year. Rather, that the Sabbaths of the Land Year Count should begin from the year 1955. This is one's Working Theory. It does appear to synchronize a lot of the Timelines. Considering this scenario, one often has to pinch oneself to think that this Year, 2025 could possibly be 'it'. What? The 'it' will be the end of the Church Age that will be concluded by a First Fruit type and Harvest Resurrection-Rapture Event.

One is not saying one has 'figured it all out' but it is amazing what the month of July in 2025 will reveal. Here is just 1 Timeline that one is convinced corroborates this 7-70 Year Chiastic Pattern. It even includes the Anna 84 year count and typology. It is how old she was when she beheld Jesus at the Temple and how she was only married to her Husband for a total of 7 Years.

1948 Birth of Israel as 'Jesus' + 84 Years = 2032 - 7 Year Death of Husband = 2025

Nonetheless, figuring out the exact Year, Month, Week and Day and even Hour of the Rapture is a mystery from this side of the Rapture. It is because of one's limited perspective of Biblical Prophecy as the Bride is only allowed to see in part as it is. But the Bride can trust Jesus for having given her enough 'Intel' in the scope of things to know and reason the approximate timing of her Groom's Calling.

But sadly, most Churches in the West are asleep as those 5 Foolish Virgins. They have neglected the teaching of Prophecy. You have the vast majority of Churches now lockstep with the World's agenda, values, morals and political position that is anti-Christian just like the same.
