

RAPTURE DOUBTS

JULY 23 NEW WINE

The Coming Blessed Hope

The following will be a series of responses one has made due to one's Rapture High Watch Date of July 23 for 2025 not coming to pass. I like to personally thank all of you that have supported, prayed and encouraged me in this 'Journey of Discovery'. The new understanding of the New Wine being associated with the true Pentecost of Acts 2 is very pertinent to the End Times. And one's attempt to attribute it to the Rapture's Timing, as a theory, has turned out not to be true. So, apologies in this respect.

As theories go, they can only be best the day of. As with all new understanding of Prophecy, the details are yet to be correctly ascertained. So, that is the challenge and one is glad to have been part of this endeavor to bring the topic to the attention of many End Times Watchmen in these Last Days. Note that the Prophecy given to Daniel of End Times was promised to be revealed and understood for those in the Last Days because it is the Last Days. Consider that 95+ of all professing Evangelical Churches do not preach the Last Days, Prophecy, the Rapture and much less this New Wine correspondence.

One is still convinced that the July 23 date is significant in some way and for the following reasons one will lay out in the subsequent posting. As stated to others concerning the Rapture having to precisely concur with the New Wine Anniversary of Acts 2? It is not that I need or want to be 'right' about it. It is about Christ being 'right'. That is what one has wanted to honor. The Rapture Event is going to happen regardless of one's attempt to attribute to any calculations from one's own understanding. And realize, this attempt to attribute the Rapture's Timing is just that.

It is not a Salvific issue to be concerned about or mock as some have. One has only shared what one has been given, I believe. It sure looked 'foolproof' but with any logic and data points, an Argument can be worked-up to be valid but is false in the end. In this case, this is what is called a 'Valid Falsity'. Those of you that have studied Logic and Rhetoric will understand, etc. One is glad that my '723' Theory has passed. And note that one was not 100% convinced, despite the evidence.

One just continued in faith to wait for time to prove either correct or incorrect. Consider that one is still very convinced that the New Wine Season has the potential to suggest the Rapture's Timing, nonetheless. This is to suggest that my '723' calculations might have been 'right' after all but the actual Rapture Event is to follow days or weeks after. Perhaps. But again, one is now making the necessary adjustments as we are on a Learning Curve as I often state.

The Rapture, is Israel focused?

As with research, having a theory put to the test will yield important factors that thereafter only will add to the discernment and understanding of the theory in question. So, as to one's specific 23rd of July for me? I will just need to remain silent before the Holy Spirit and be taught and listen and continue to study. However, in terms of Geo-Politics pertaining to the timing of the Rapture? Consider that the crosshairs is Syria in the following manner.

The issue with the Druze, specifically bordering Israel, is complicating things. This could trigger the Isaiah 17 Nuke Attack as Israel needs this Druze land as a natural buffer zone against Syria Proper. And that could then all synchronize with when they are saying 'Peace and Security' as they are now, to have Damascus nuked instead. It could occur in tandem with the 'Escape', i.e., the Rapture that the Apostle Paul taught is to occur in tandem. And what about the Feast of Trumpets Rapture instead as some assert? Sure. It is very interesting that for 2025, the Civil New Year is on September 23.

It is also the 8th Year anniversary of the Revelation 12 Sign. And note that there is that Solar Eclipse on the Eve of the Anniversary in the Constellation of Virgo. Coincidence? One's point is that if 2025 is the year of the Rapture, one is rather shocked at knowing nearly all of the Professing Church are missing just how close the Rapture Event is. It is like Israel that had the Bethlehem Star Sign. The Magi came to Israel because of it and Israel was 'asleep at the wheel' at the very hour of their Messiah's Birth, for example. This is a daunting and sad state of 'Spiritual Affairs' for the End Times Church.

And not that the Rapture is a Salvation Issue to argue, but that it is crucial in that by watching for it, one is just being obedient to the command by Jesus to do so. And Jesus is to reward one for that, not that one is looking for a 'Reward'. One is looking for the Redeemer, not the Rapture itself necessarily. But it is the Rapture that will bring Jesus together with His Bride. But alas, it will only occur when the Bride is ready. Until then, it is all speculation as to the date. Consider the following assessment that was sent to me about the New Wine and its Rapture timing.

1) The Harvest is the end of the Age. — Matthew 13:39

Jesus explicitly ties the end of the age not to the Tribulation, not to the Temple — but to the harvest. And Pentecost is a harvest feast.

2) Tisha B'Av

Let's be clear: Tisha B'Av is not one of the seven appointed Feasts of the Lord (Leviticus 23), and therefore it carries no prophetic pattern for the Church. That alone should disqualify it as a candidate for the Rapture.

These are excellent points that remind us of what some of us have been sharing regarding the true Pentecost Date and its dovetailing the First Fruit of the New Wine correspondence. Yes, the Parables about the End of the Age are all based on the Agricultural Cycles and types of Grain and Fruit Harvests.

The Undesired Bride

It is good to be reminded that it is that simple. We often make it more complicated than it should be. And with the comment that Av 9 is not even on the Biblical Radar of commemorations to consider, it is exclusively an Israel phenomena pertaining to the Bad Report of the Promised Land and subsequent physical Temple's destruction, This has nothing to do with any Prophetic Typology pertinent to the Church Body.

Although some have attempted to synchronize Av 9 with the New Wine and the Rapture, as you rightly pointed out, it is Pentecost, the 4th corresponding Menorah Stem that does. Here is what I replied to when asked about the Essene Year of 2075 in that when they calculate Jesus is to return in contrast to one's theory of 2032 based on a 32 Crucifixion Year.

Here is what I and others have surmised about Jacob at 77 and 84 years old. Jacob got Leah 1st then his desire, Rachel. Consider that Leah is a type of the Gentile Church that was 'unwanted'. She is not the 1st Pick or the 'Desired One'. Yet YHVH had pity on her and favor as she bore most of the Sons of Jacob. Like the Church in contrast to Israel, it has been the Church that has produced the Fruit of the Kingdom; Israel has not.

'But I ask, did they not hear? Indeed they did: Their voice has gone out into all the Earth, their words to the ends of the World. I ask instead, did Israel not understand? First, Moses says: I will make you jealous by those who are not a Nation; I will make you angry by a Nation without understanding. And Isaiah boldly says: I was found by those who did not seek Me; I revealed Myself to those who did not ask for Me'. -Romans 10:18-20

Rachel was the 'pretty' one and desired but like Israel was barren. Jacob was then given 7 Days to acquire Rachel, but he had to work 7 Years additionally after being given Leah. Leah is the 'Bride of Christ' prophetic type, rejected by Israel but accepted by the Greater Jacob, Jesus who is a type of Jacob. And Leah gets to marry and be taken 1st, i.e., the Rapture and Honeymoon in the Father's House in none other than Heaven itself. Then 7 Years later, Israel or Jacob completes the price for Rachel.

It is a type of how after Jacob's Trouble and 'Wrestling' with GOD is finished, etc. And only after the Tribulation Period, 7 Years later that YHVH will reconcile with the originally desired one since Mount Sinai. Israel has had to wait these 2 Prophetic Days or 2000 Years, being jealous and bearing no 'Fruit'. So, if 32 AD was the Crucifixion Year, then 2000 Years or 2 Days if 1 Day is as 1000 Years will be 2032.

Then one's theory is that the last 7 Years will be an overlapping and dual fulfillment of Time and Covenants. As the last 7 Years of the Church Age are still required, so is it 7 Years for the 70th Week of Daniel's Prophecy to complete the 7-Fold Judgment decree against Israel'. So, the Harvest Pattern of when the Age is to end, that is the Church Age will end. The Year is yet to be determined as one's best calculation points to 2025 and the end of the Summer Wheat Harvest. And if one may echo, the end of the Church Age has nothing to do with Av 9. It is not found, mentioned or even inferred indirectly in the New Testament that one can recall. Please correct me if one is wrong about this?
