

RAPTURE WEATHER FORECAST

PENTECOST NEW WINE THEORY?

Prophetic Prognostications

So, the July 23, 2025 Rapture Date? It was 'No Pressure', right? Every year, up to this current year has thus all have been but 'Dress Rehearsals'. However, as they say also, 'Practice makes Perfect'. But for 2025, has the Bride now been made 'Perfect' despite one's best attempt at attribute the Rapture's timing to the Feast of New Wine? In looking back these 5-6 Years specific to one's New Wine Theory, as with all the other theories that one has shared publicly, they are just that, unproved ideas.

However the Rapture could still be argued that 2025 is the best candidate for it, thus far. One took the chance to be 'wrong' as one has only shared what one has come to understand about how to determine the day count for the New Wine Feast. Is it from the Counting of the Omer on Nisan 15? Or is it from the 'Morrow after the Sabbath' on Nisan 18? Ones used both but as one further researched the calculations, one was more convinced that it was based on the Omer Count.

In the end, such calculations, as to specifics are only a supposition and an interpretation based on that. What one is content and satisfied about this, is that the new understanding of the New Wine being what converged in Acts 2 is phenomenal and one is humbled to have brought this assertion to the End Times Community. As with all of one's theories, one has always used a triangulation of data points to make such assertions like the New Wine being attributed to the true timing of Pentecost and thus the Rapture.

1. *Scripture*
2. *Astronomy*
3. *Geo-Politics*

My approach at attempting to tackle such topics as the birth, death and resurrection of Jesus along with the end of the Church Age Rapture have been based on Astronomy, for example. The Conjunctions, Blood Moons and Solar Eclipses have been taken literally in how they are for Signs, clearly stated by YHWH in Genesis. It is something the Modern Professing Church of Jesus had lost over the centuries.

But in seeing the Geo-Politics occurring in the World, one cannot help but triangulate all that to make a best-guess as to realizing just where one is at on the Prophetic Timeline, overall. You know, it was Jesus who used the Weather Analogy about how His People, of all People should have known the timing of His Birth, Death, Resurrection and 1st Advent.

The Thermometer

And how YHVH gave precisely these 3 Data Points in a Triangulation of Signs Above and Events Below for that reason. Yet at Jesus' Birth, the supposed Learned Elders of Israel turned-out to be like the High Priest Eli who was literally 'Asleep at the Wheel'. And it was only the Gentile Wise Men that recognized the Signs Above and connected the Geo-Political 'Dots' Below that read the prophetic 'Weather' correctly. But it was all because of Prophecy as they were the legacy of the work of Daniel back in Babylon and then Persia. So, one just has sought to just be a 'Good Weatherman', no? That is the best we all can do, of those that are actively watching.

And not that trying to crack the Rapture 'Code' makes one more holy or worthy of it by doing so. I know of countless Brethren that have no concept of the Rapture or nominally and yet one would judge to say they are more worthy of it than I would think one is. All that to say is that, at the end of the day, if July 23 comes-and-goes for 2025, it is because it is only a 'Weather Forecast'. And with such an endeavor, one can be wrong in reading the Triangulation Grid one is using.

But it seems one cannot argue that with each passing year, these 3 Data Points keep getting louder and clearer: Prophecy, Signs Above and Geo-Politics Below, no? As of this Post, looking back at the American Church as a 'Thermometer' of the Spiritual Condition of Jesus' Body on Earth, one has witnessed the 4 Sins mature that will define the Spirit and Sins of the Tribulation Period. If one re-reads the Book of Revelation, one will understand, that for all the catastrophes and calamities that will be Biblical and horrific in scale, it is recorded that the Inhabitants of the World will not repent of 4 Sins.

'Now the rest of Mankind who were not killed by these Plagues still did not repent of the Works of their Hands. They did not stop worshiping Demons and Idols of Gold, Silver, Bronze, Stone, and Wood, which cannot see or hear or walk. Furthermore, they did not repent of their Murder, Sorcery, Sexual Immorality, and Theft'. -Revelation 9:20-21

Notice that aside from the 'Usual Suspects' that originates with Lucifer's intervention in Humanity of Demon Worship through false religions, the Spirit of the Age or the Zeitgeist throughout the 7-Year Tribulation Period will be categorized by 4 Sins then that have now manifested its full 'Cup of Wrath'. This is especially now the case in the USA, as one is centering on it. To a large degree, it is because one is in the midst of such a Nation and it is Ground Zero for the Last Days Church in 1 sense due to its dense concentration of Christians. Here are the 4 Sins.

1. *Murder*
2. *Sorcery (Pharmakeia as in Drug Addiction)*
3. *Sex*
4. *Thievery*

Prophetic Prognostications?

All these 4 Sins are 'Off the Charts' in the USA. This has been the sad reality since one came to observe, now approaching 60 Years. Perhaps because of Social Media, such Sins are more amplified in realizing them, but as you may or can attest, Sin is Sin and has always existed since Adam.

But one can remember growing-up in the USA as an Immigrant and observing how Christian the USA was. Perhaps it was because it was 'Cultural' but most Churches in the USA were sound and solid, relatively speaking. The exception was the Apostate ones. Now, in 2025, in the USA the Paradigm is inverted. It is that most Professing Churches are Apostate and have left the core tenets of the Gospel and Scripture.

The exceptions are those Churches that still are true to Jesus' Commands, etc. As I was conversing with fellow Brethren about this Spirit of the Last Age of the Church, we know it is 'Laodicean'. And how sadly, like a 'Sleeping Israel' that missed the 1st Advent of Jesus come to Earth, so are the Sleeping 5 Virgins that will miss the Groom come to take them into the Banqueting Hall of His Wedding.

It is because both could not read the 'Prophecy Weather'. Israel missed-out on 1 of the greatest works of the Creator ever performed. This was when YHVH took on Flesh and the Form of a Human. It was only then revealed to the few Wise Men of Persia and the Unclean Shepherds of Bethlehem. Regardless, Christ will get the Glory. I tend to think we are here at the Last Days of the Church Age, being Laodicea is where Jesus has been escorted out of the building. Jesus is still knowing but the Door can only be opened from the inside.

And that is what it has been about in one's endeavor to take-on the topics of most importance that one can contemplate on: the Birth of Jesus, His Ministry, Death, Resurrection, Commission and Promise of His Return, etc. When is the Rapture? The 3rd Temple? The Tribulation Period? One only needs to read the current headlines to wake-up at just how rapid Prophecy is occurring now. We have gotten to the point in time where if one writes a book, it is already outdated by the time it goes to print.

So, as to the July 23 Rapture Date Weather Prognostication? It was just that. One would have hoped so. This iteration of the world is not our home, for now. I was also sharing with other Brethren in that this New Wine Teaching is basically only being taught by a few handfals currently. But then one was reminded that out of the possible Billions of Humans that existed from Adam to Noah, only a handful got saved, 8 Souls in all were placed in the Ark, etc.

And sadly, like a Sleeping Israel, an 'Eli', the Professing Church of Jesus, the Bride has not made herself ready. Again, not that watching for the Rapture makes one more holy, but then one is reminded of the 10 Virgins. And how when the Rapture does occur, all those Churches full of People? It is the issue that most are not in a 'Right Relationship' with Jesus to be taken. Now one can debate who will or will not go in the Rapture.

A Rapture Birthing?

One is just saying that as Jesus rebuked the Elders of Zion for not reading the Prophetic Weather, they lost their Promised Land, Jerusalem and their Temple. One's point is that there was a loss, a missed opportunity. Notice that the Elders knew of the Prophecy when Herod inquired as the Wise Men came to him to ask about, 'Where is your King?' Yet, the supposed Wise with all the Study and Degrees did not respond.

They were told, 'We saw His Star' yet no response. Herod sensed the threat Geo-Politically to his Throne, Power and Authority. And the rest is history as they say. It was Herod, the wicked and imposter 'King of the Jews' that did act on this Triangulation of Data Points and slaughtered the Babies in and around Bethlehem for good measure. That is what is at stake in not reading the Prophecy Weather Patterns, one would say.

And sadly, this is what is coming, has come and will result concerning the People who are called by Jesus' Name, no? But as I have also stated to other Brethren, perhaps this July 23 '723' Code or correspondence is prophetically significant in some way but not having anything to do with the Rapture. And perhaps in terms of Discrepancy because there is the Essene Date, where the Feast of New Wine is celebrated on Av 3. This is true if one uses the Enochian Calendar, which one originally was set upon. That date for 2025 is July 27.

So, even though one was set on July 23, one is open to the 'New Wine Season' that can correspond to Tisha B'Av or the 15th of Av also. That is the Jewish 'Valentines Day' commemorating the 'Snatching-Away' of the Brides in the Vineyards by the Tribe of Benjamin, etc. But again, those dates are commemorative.

They are not the actual date of when they occurred, on one's interpretation. Perhaps it is one's own insecurity as I have emails saying, 'How audacious of you to think that Jesus Christ would have revealed the Rapture Date to only you'. But as it has now been past the 23rd, one's Learning Curve will just need more understanding and discernment as we press on. That is all we can do on this side of the Rapture Weather.
