NATIONS OF SIGNS AND WONDERS

And when the Body of Christ is removed from Planet Earth

'Even on My Menservants and Maidservants I will pour out My Spirit in those days, and they will prophesy. I will show Wonders in the Heavens above and Signs on the Earth below, Blood and Fire and Billows of Smoke. The Sun will be turned to Darkness, and the Moon to Blood, before the coming of the Great and Glorious Day of the Lord'. -Acts 2:18-20

The year 2032 completes 2000 Years from 32 AD, if that was the Crucifixion Year. One's theory is that from 2025, the 7-Year difference will overlap with Daniels' 70th Week of Years. But the Bride of Jesus will be evacuated to enjoy that last 7 Years in Heaven above. In one's scenario and interpretation, it occurs in tandem with the Time of Jacob's Trouble on Earth below during the same 7 Year timespan. This is why Israel will come under the Law of Moses or the Mosaic Covenant after the Rapture Reset.

It will be that which will be what is to be 'confirmed'. Nonetheless, the Age of Grace will still be operative as it was also overlapping from 32 AD to 70 AD in the sense that People will still be able to come to Jesus solely based on Mercy and Unmerited Favor. The only difference is that there will no longer be that Body of Christ collectively or 'Church' that existed on Earth up until the very Year, Month, Week, Day and Hour of the Rapture. This is why those that hold to a Pre-Wrath or Mid-Tribulation Rapture scenario confuse the Church still having to go through the Time of Jacob's Trouble. No.

If so, what good was/is the Blood of Jesus that paid to satiate the Wrath of YHVH for Sin? If that were to be the case, then the Promise of Jesus that the Gates of Hell would not prevail over the Church, i.e., His Body on Earth would be a lie as those Followers of Jesus will not be afforded this Divine Covering during the 7-Year Tribulation Period. Those who hold a Pre-Wrath and Post-Tribulation Rapture belief confuse Tribulation and Persecution with Wrath. The Bride of Christ, the Body of Jesus on Earth cannot be subjected to the Wrath of YHVH. Lucifer cannot curse something Jesus has blessed.

Or else the entire work of the Cross was and is in vain. Tribulation and Persecution has been the order of the Church since its beginning. But that is not Wrath. What the 7 remaining years on Earth will serve is to complete the Divine Wrath that Israel still owes YHVH for not keeping the Mosaic Law and the Land Sabbaths. Jesus qualified the Wrath that in every instance, He has provided an 'Evacuation' of the Righteous, i.e., Noah and Lot. If the Great Commission of the Church is still in effect during the 70th Week of Daniel, there would not need to be that Commissioning of the 144,000 Jews and the 2 Witnesses. The 'Pentecostal Intermission' that one calls the gap of time in-between weeks 69 and 70 of Daniel has been the forestallment of this Wrath.

The Church is not Jacob

It has been an 'Intermission'. Once the Commission and purpose of the Church Age is completed, the Bride of Christ will have been extracted and discharged.

What follows is the 'Separation' in one uses a Military metaphor, etc. As the 2 Timelines overlap concerning this dual fulfillment of the last remaining 7 Years before Jesus returns in 2032, respectively, one is assuming a Pre-Tribulation Rapture scenario. And as 2 Days are as 2000 Years, it means prophetically that the 7 Years prior to account for Daniel's 70th Week of Years has to coincide with the year 2025.

That is when one supposes that the Bride is physically removed from Earth, i.e., the Rapture. Perhaps. But as theories go, they will remain to be tested and only thereafter will one know. It is a Dichotomy because on this side of the Rapture, Humanity is bound to Space, Time and Matter. Only at the point of the Rapture will Jesus only then completely remove the Church Body. This is what will be removed prior to Jacob's Trouble, because it is all Wrath. This 'Body' of Jesus on Earth has never existed before or was known.

It began at the Acts 2 Pentecost in 32 AD. But during the last 7 Years of the Tribulation Period or Jacob's Trouble, Jesus will not remove the Grace that will still be afforded to all those that will 'Call on the Name of Jesus', during the 7 Year Tribulation down on Earth. This is why the last 7 years of the Church Age will interface with the last 7 years of Daniel's 70th Week. It will be a dual fulfillment, in one's estimation.

So, this is why one is assuming a dual timeline and fulfillment. What the Tribulation Follower of Jesus will not have is the 'Body of Christ' that has also been the Restrainer. This is due to having the Holy Spirit corporately but indwelling individual Followers of Jesus. This is why the AntiChrist will be able to 'wear down' and hunt them down. It will be awful. If one follows and applies the Prophetic Pattern of Days = Years, it would mean that in 2032 is when the 70th Week of Daniel would have to end.

Beyond 2025, it just puts the Fig Tree Generation out of the reach of even an 80 Year, if by strength maximum limit. Consider that 2025 is the 77th Year Anniversary of Israel. The following is one's rationale for a 2025 Rapture Year and 2032 as the return of Jesus. This timeline is predicated on having the countdown from 1955 rather than 1948. If this is the case, then 2025 is the 70th Year.

One is just conjecturing that perhaps this 77th Year, that is the 70th Year from 1955 is when it will dovetail into the last 7 Years of Daniel's 70th Week of Years. This is the reason why one believes that the Prophetic Countdown to the end of the Church Age with the Rapture 'Evacuation' will then afford the beginning of Daniel's 70th Week. It is because from 1498 to 1955 was 1 Sabbath of Years or 7 Years. And?

One is applying the same time-frame Joshua and the Israelites had to wait before they started counting the Land Sabbaths once they entered the Promised Land. Why? It took Joshua 7 years to conquer the Promised Land, although he left Gaza and the Golan unchallenged. And that is why they have been a 'Thorn in the Side' of Israel to this day.

Dividing Israel

After the Rapture Reset, the whole World and the Middle East will be 'Reset'. This is where the 2 State Solution will come into play. It will be through the U.N. and their Meetings that always aim to push on Israel and the world a failed solution. It is what one calls the '2 State Deception'. It seems that End Times Biblical Prophecy is occurring on a daily basis. Jews can now pray and worship on the Temple Mount. Temple Road Signs have been put-up. The Red Heifer Mock Offering has been practiced and the Temple Stones are being cut and dressed.

There is Ethnicity rising against Ethnicity due to the Migrant Agenda. There are Wars and Rumors of War. And the Nations are now all 'Drunk' over Israel, Jerusalem and the Temple Mount, etc. So, the solution? Divided-up Israel. The world through the U.N. seeks to divide-up Israel to accommodate a State of Palestine. Mind you, in 1947, the U.N. drafted the Partition Plan. This was the original '2-State Solution'. The Muslims that would have had their State of Palestine rejected it. It was 'All or Nothing' for them.

So, what did they do? They along with 7 Muslim Armies attacked Israel instead after Israel accepted the U.N. Partition Plan and declared its independence in 1948. Then after the War in which Israel won miraculously, Egypt controlled Gaza. Jordan controlled the 'West Bank' or the Ancient Heartland of Israel, Biblically known as Judea and Samaria, etc. Yet, at no time did either the Muslim Egyptians or their Jordanian Brethren grant the 'Palestinians' their 'Freedom' or Sovereign State. Why not?

It was because the Muslims did not see themselves or call themselves 'Palestinians'. It was only after Yasser Arafat that took-up armed resistance against the Jewish State that he politicized the name as an Identity that was based on a Roman mocking of redefining Israel and having cast them out to the 4 'Corners of the World'. The problem of the Palestinians is that it is not about carving-out the State of Palestine. It will be another 'Fake' and artificial country like Jordan that was to have been originally the 'State of Palestine' for the Muslims. The Deception is but to destroy the Jewish State.

It is about the Biblical Birthright: the Promised Land, Jerusalem and the Temple. This is what the Western Liberal intentionally overlooks. The issue is a spiritual and religious one. How so? If a Nation or Person controls the Promised Land, Jerusalem and the Temple Mount, he will control the world. Thus, the coming AntiChrist that will work-out this very plan during the 'Pax Judaica'. Also, as one may know, one often refers to the weekly Sabbath Readings to see if any possible prophetic significance is correlating to world events and primarily dealing with Israel.

Well, the Sabbath in Israel that starts the 3 Weeks of Mourning leading up to the 9th of Av has the following Torah Portion. What was read in their Synagogues was from [Numbers 22:2-25:9](#). It is about the story of the Moabite King Balak, who hires Balaam to curse the Israelites. But Balaam ends up blessing the Israelites instead. It is because Lucifer cannot curse something that YHVH has blessed. Especially since the October 7, 2023 HAMAS Attack against Israel. That was and is intended to be a Genocide. So, the World has now gathered to curse Israel and it will eventually divide it.

The Deceit of the Gibeonites

It is always a false sense of 'Land for Peace' that has been proven time-after-time to fail. It will be very interesting to see how it will play-out. But it is Jesus that is working-out all the coming Evil and Curses against Israel for the Good. It will be 'painful' though. And thus, the 'Time of Jacob's Troubles'. The key to the 2-State Deception that one calls it, will be Saudi Arabia.

If Mohammed bin Salman Al Saud, also known as 'MBS' approves it, then it will go forward. However, the lip-service from Trump and Netanyahu entertaining a possible 2-State Solution has been just that. The Israeli Orthodox Jews who support Netanyahu do not want that 'Solution'. It is a Deception as Bible Students know from Bible Prophecy how Joshua was deceived into making a Deal with the Gibeonites.

'Then the Men of Israel sampled their provisions but did not seek the counsel of the LORD. And Joshua made a Treaty of Peace with them to let them live, and the Leaders of the Congregation swore an Oath to them. Three days after they had made the Treaty with the Gibeonites, the Israelites learned that they were neighbors, living among them'. Joshua 9:14-16

But then one wonders, what happened to Isaiah 17? One finds it rather odd that Syria wants to join or will be forced to join the Abraham Shield. Nonetheless, Israel has always historically resorted to 'Bad Deals' since Joshua who got tricked into making Peace Treaties without consulting with YHVH who did not authorize or command, etc. This has been Israel's weakness and it will cost them dearly after the Rapture Reset.

But if the USA, as in Trump brokers this Deal or 'Peace Treaty' with the Palestinian 'Gibeonites', one would rightly suspect that YHVH is going to divide the USA for facilitating the division of Israel. If so, then all these 3 Great American Eclipses that formed an 'X' and worse, an Aleph and Tav or the Beginning and the End might have been the final warning for the USA. Note that the Kerrville, Texas July 4, 2025 Guadalupe River Flood occurred where the 'X' was marked with the 2 Great American Eclipses of October 14, 2023 and April 8, 2024. Coincidence?

The Last Week of Daniel is about Israel's Redemption, Restoration and Relationship with Jesus, their true Messiah. Israel has been given a 2nd Chance. The Prophetic Countdown started with the rebirth of Modern Israel in 1948. That was the Hour Hand of the Prophetic Clock of YHVH concerning Israel's Redemptions and the Judgment of the World. Then the next prophetic milestone occurred during the 6-Day War of 1967.

That is really a 50-Year count as the key is how Jerusalem was liberated on Shavuot. Thus, the 50th Year was 2017. That is when Trump officially recognized Jerusalem as Israel's Capital, etc. One of my Theories is that YHVH is implementing a 3-fold restoration based on the Olivet Discourse. Jesus warned and foretold that the Temple, the City and the Nation would be destroyed, and in that order. But that in that same order, but reversed, would they be reconstituted before His 2nd Coming. Thus the following Chiastic Pattern, prophetically.

DESTROYED

1. Temple
2. City
3. Nation

RESORTED

3. Nation: 1948
2. City: 1967
1. Temple: 2025?

And? Mathematically, these 3 Years are in approximate Phi Ratio to each other. And they are accentuated by the Blood Moon Tetrads that occurred just before each year period. If 2025 comes-and-goes concerning the Rapture's Timing, one can only continue to keep the focus on the July 23 First Fruit timing. It just means that one needs to continue studying and learning and waiting upon the LORD for insight and understanding.

COVENANT WITH MANY

In the Bible, it teaches that in the End of Days, a World Leader will emerge that will 'Confirm a Covenant with the Many'. What is that 'Confirmation'? And who is the Many?
