

3RD TEMPLE TIMELINE

BASED ON A PHI RATIO TRIANGULATION

Since the Destruction of the 2nd Temple in 70 AD

So also, when you see all these Things, you will know that He is near, right at the Door. Truly I tell you, this Generation will not pass away until all these Things have happened. Heaven and Earth will pass away, but My Words will never pass away. –Matthew 24:33-34

The following study is to provide Mathematical Evidence of when the 3rd Temple is to be rebuilt. Is that Possible? Yes. The Mathematical Formula will be based on the Phi Ratio Proportion in terms of Years since the 70 AD Destruction of the 2nd Temple. One will apply the Phi Ratio Factor to triangulate the End Date, knowing 2 Prior Dates. These 2 Prior Dates dealing with the Temple of YHVH and its Temple Mount or Precinct are 70 AD, as mentioned and 685 AD.

This 685 AD Year is when the Dome of the Rock was erected in the area that is given to the Gentiles. The Muslim Shrine, not a Mosque, was built between 685 and 692 AD. It was commissioned by the Umayyad Caliph Abd al-Malik, etc. One is convinced that this Muslim Shrine is a foreshadowing of the Abomination of Desolation that Jesus warned about to His Disciples during the Olivet Discourse.

The Phi Ratio is also called the Golden Ratio and is known as the 'Signature of GOD', or the Creator. The Creator is YHVH. And specifically, it is Jesus as disclosed in Colossians in how it was by Him and for Him that all things came into Existence and are held together by the Power of His Might, etc.

'The Son is the Image of the Invisible GOD, the Firstborn over all Creation. 1For in Him all Things were created, Things in Heaven and on Earth, Visible and Invisible, whether Thrones or Dominions or Rulers or Authorities. All Things were created through Him and for Him. He is before all Things, and in Him all Things hold together'. -Colossians 1:15-17

By Definition, the Phi Ratio, Phi (Φ), also known as the Golden Ratio, is an Irrational Number approximately equal to 1.618. It is defined Mathematically as the Ratio where a Line is divided into 2 Parts such that the Ratio of the Whole Line to the Longer Part is equal to the Ratio of the Longer Part to the Shorter Part.

The Golden Ratio is the Sacred Measurement seen in all of Creation, such as in Galaxies to Hurricanes, Growth Cycles, and the Human Body. When one sees a simple Flower, one is seeing Sacred Gematria that is Alive and not just some Mathematical Formula or Equation. And the Human Body, down to the Growth Cycles of Hair, the Eyes, Ears, Face, Torso, and Legs are all in the Phi Ratio Proportions. Why?

The Coming Jewish Reset

This Divine Ruler and Measure is what YHVH, the Creator is constituted with in some mysterious Way. And one's Theory is that Prophecy is also a subject and occurs in Phi Ration. Thus, one such example is when the Temples of YHVH, being also ascribed as a Body-Temple were fashioned in such Phi Ratio Proportions. Not only were they physically constructed in this Fashion, but even in terms of Years.

With this Context and Construct, one is proposing that in knowing the 2 Data Points in Year of when the 2nd Temple was Destroyed in 70 AD to the Muslim Shrine of the Dome of the Rock erected on the Temple Mount in 685 AD, one can then Triangulate when the 3rd Temple will be Build. This is one's Working Theory.

Obviously, only Time will tell if the Supposition will turn-out to be True. If the Fall of 2025 comes-and-goes, then the Timing is just off, not the Theory, one would still argue. To that end here is the Timeline based on the Phi Ratio Pattern. In the Chart associated with this Study, the Phi Ratio Spiral will be used for a better graphic rendition and visual effect.

70 AD – 2nd Temple

It was Destroyed on the 9th of Av by the Roman Prince, Titus in 70 AD. The 2nd Temple was built after the 70th Year Babylonian Captivity came to an End. Technically, it was Zerubbabel's Temple. It was refurbished by King Herod later on.

+ 615 Years

685 AD - Dome of the Rock

The Muslim Shine, not a Mosque, was built between 685 and 692 CE. It was commissioned by the Umayyad Caliph Abd al-Malik. Notice that the Duration in building this Muslim Shrine took 7 Years. This Year Factor will compared to the Last Sabbath leading-up to the 3rd Temple

+ 1340 Years

2025 Fall – 3rd Temple?

One conjectures that the 3rd Temple will be dedicated by the False Jewish Messiah. It will be initiated by the Daily Sacrifices to start the Last Sabbath or Daniel's 70th Week. The Ark of the Covenant will be displayed and placed in the Holy of Holies, etc.

Here now are the peculiarities about this 3rd Temple Phi Ratio Triangulation. Note that the Time it took to build the Muslim Shrine of the Dome of the Rock was approximately 7 Years. That is how long Solomon took to build the 1st Temple. If the Phi Ratio Equation is known by its 2 Mathematical Factors in terms of Years, being 615 Years from 70 AD to 685 AD, then the 2nd Numerical Phi Ratio Factor is 1340 Years. This would then make 2025 when the 3rd Temple is to be built. Or perhaps when something of Biblical and Prophetic Proportions is to come about because of it. Can it be the Rapture perhaps?

Confirming the Covenant

One must realize that after the Rapture, a Worldwide Panic and Psychosis will ensue and Humanity will not only demand an Explanation but a Solution. This will be the Opportunity for the False Jewish Messiah and the AntiChrist, whomever they will be to step-in and fill the Spiritual and Religious Vacuum. They will take advantage and usher in their Luciferian Utopia Rest in all aspects of Humanity: Religion, Spirituality, Politics, Economy, etc.

One conjectures that it will be the Reading of the Law of Moses, in the 2 prior Temple Dedications. After the Rapture that closes the Church Age, Israel will be under the Law. The World will be under the Noahide Laws. Any Allegiance to Jesus as 'LORD GOD' will be punishable by Decapitation. Ultimately, the Reset for Israel will be about that 'Confirmation of the Covenant'. What Covenant? One is convinced that the Covenant that is to be 'Strengthened' is a Covenant that already exists.

And in the Context of Israel and their Desire to be 'Redeemed', what they are relying on is the Mosaic Covenant. They always did, are and will. As discussed before, to Israel, coming under the Law is how they only see how they can achieve their National Redemption, etc. What is the Proof? Consider the following Passage of how the Covenant with the Many, i.e., the Mosaic Covenant is what believes is what will be 'strengthened'. Study the Passage of what the 'Covenant' is from Daniel 11:29-31.

At the Appointed Time he will invade the South again, but this Time will not be like the first.

Ships of Kittim will come against him, and he will lose Heart.

*Then **he will turn back and rage against the Holy Covenant** and do Damage.*

*So he will return **and show Favor to those who forsake the Holy Covenant**.*

His Forces will rise up and desecrate the Temple Fortress.

They will abolish the Daily Sacrifice and set up the Abomination of Desolation'.

So, consider that the Factor of the 7 Years that took to build the Muslim Shrine, as a foreshadowing of the Abomination that causes Desolation will also factor into the 3rd Temple. How so? If one adds 7 Years to the Fall of 2025, that will result in the Fall of 2032. This so happens to be and fit one's Speculated Fall 2025 to Fall 2032 Tribulation Period Timeline.

Fall 2025 + 7 Years (70th Week of Daniel) = Fall 2032

It is in the Fall of 2032, precisely during Yom Teruah that one conjectures that it will coincide with the Return of Jesus. This is the Notion. Now one realizes that there are mermaids of Suppositions and Timelines that include or exclude what the Tribulation Period is or will be all about. Some say it has already begun. Others say it was fulfilled in 70 AD.

When will the 3rd Temple be built?

Others conjecture the Church Age Believers in Jesus will go into the Tribulation but not the Wrath. This is based on being convinced that the initial Seals are not 'Wrath'. Or that the Rapture occurs at the very End of the Great Tribulation as many confuse what pertains to the Church and what Pertains to Israel, etc. Nonetheless, one is more convinced that the 70th Week of Daniel pertains to what Israel still owes YHVH for not keeping the Sabbaths of the Land.

And this is something that the Church cannot be forced to Pay or suffer the same Punishment in tandem with the Jews. So, when will the 3rd Temple be built? Here is one's attempt at discerning when the 3rd Temple is to be built. It is based on one's Fall 2025 to Fall 2032 Tribulation Period Timeline. One's Theory is based on another Triangulation of Years. It is from 70 AD, when the 2nd Temple was Destroyed on the 9th of Av. This is the starting and initial Data Point of the Triangulation.

The 2nd Data Point or Year is when the Dome of the Rock, a foreshadowing of the Abomination of Desolation, was built on top of the Temple Mount in Jerusalem when the Muslims invaded Israel, etc. That Year was from 685 AD to 692 AD, for a total of 7 Years, etc. Thus, in knowing these 2 Dates and when one applies the Phi Ratio Calculation in terms of Years, guess what Year the 3rd Data Point or Year turns out to be? 2025. Of course, it is only a Theory and as such, Time will always tell if it was True or not. One finds it very interesting that it took 7 Years to build the Dome of the Rock. It was just as much as it took for Solomon to build the 1st Temple.

And in 70 AD, when the 2nd Temple was Destroyed by the Roman Prince, it was the 2nd Temple that was begun at the End of the 70-Year Babylonian Captivity, etc. It is exciting to live in this Last Generation since 1948 when Israel was 'Reborn', and to see what comes of this Temple Phi Ratio Triangulation Theory. One is presuming the Rapture occurs prior to the Dedication of the 3rd Temple. See Chart in the End Notes.

Books

THE 3RD TEMPLE

The Olivet Discourse foretells a Prophetic Outline that involves the Restitution of 3 Factors that have to be in place before Jesus' 2nd Coming, 1 is the 3rd Temple. It is ready.
