'Let there be Lights in the Expanse of the Heavens to separate the Day from the Night and let them be for Signs and for Seasons and for Days and Years'. -Genesis 1:14

The purpose of this Book is to present the Case and Evidence, about how the Astronomy of Prophecy is corroborating with the Biblical End Times. One will argue how Astronomy strengthens one's Assertion of when the 'End' or the Tribulation Period that is called Daniels' 70th Week of Years will begin. And? It is only that this 7 Year Period will be the most chaotic, disastrous and destructive in Human History, according to Jesus. And coincidentally, most if not all of the Catastrophes mentioned and described in the Book of Revelation, all have to do with Astronomy.

It is about how in the Heavens, the Signs, in the Sun, Moon and the Stars will be so affected, that they produce disastrous Effects on Earth. Perhaps at that Place and Time, Skeptics will have to face how the Astronomy of Prophecy is indeed a Divine Phenomenon. And it culminates with the Return of Jesus. So, to deny the Astronomy of Prophecy is to deny what soon will become Humanity's Reality.

So, to that End, one will present one's Line of Thinking in this regard. One will present the Theory and Studies of why one is more convinced that the Sign in the Sun, Moon and the Stars are precisely designed to do just that. One will examine, for example, the -1448 BC Exodus Blood Moon occurring then, which echoes '19-48'. And then one will examine the Blood Moon of 32 AD, and how both were complemented by a Solar Eclipse on the same Day, which is Astronomically impossible, etc. And a Numerical Factor of '3' is also in-play.

Now, one realizes that the Subject of Astronomy is a Sensitive Issue within the Last Days Church. It has been divorced from Astrology, but in Ancient Times, they were one-in-the-same. There was a recognized Spirituality Aspect about this Sacred Revelation and Connection to the Divine. And rightly so, as it was YHVH who created the 12 Houses or Signs of the 'Way'. That is what the Hebrew Word for the Zodiac comes from, the 'Mazzaroth'.

The Way is pertaining to the Sun's Path on the Ecliptic but it has deeper Theological Implications in how the Birth of Christianity was called the 'Way'. Essentially, the Way depicts the 12 Stations or Aspects of Jesus' Mission and Ministry on Earth. It is truly the Gospel Witness written in the Stars that the Apostle Paul alluded to in the Book of Romans, etc.

The Story of the Stars

However, there is much Resistance and Ignorance from well-meaning 'Christians that refuse to acknowledge it or give it any Merit or Relevance. That is very sad and unfortunate, as it is primarily what YHWH precisely created them to be for, Signs. And that is how Prophecy is even more relegated to the side and either ignored or rejected. But how ironic that it is precisely a most important and crucial piece of Prophecy Jesus warned how the End Time would be recognized by.

But to help dispel such Ignorance, this Book is one's attempt to show just that, the Astronomy of Prophecy. One will show how that is relevant, pertinent and compelling, in light of what can be read and seen in the Daily World Headline News. One hopes that his Book will be enlightening, eye-opening and to help one understand just how Astronomy plays its intended Divine Design in Testified of Jesus. Consider a Purchase for one's Personal Studies or as a Gift for others. Please leave a Review, it is greatly appreciated.
